

V: Praised be the pure heart of  
St. Joseph!

R: Now and forever, Amen:

LET US PRAY:

O God, the creator of heaven and earth, with profound admiration we look up to the heart of St. Joseph, purer, whiter than the lily flower, the vessel of delicious fragrance, the receptacle of divine love, the refuge of the Mother most pure, the resting pillow of the Infant Jesus, who nestled upon St. Joseph's strong, couragous, holy heart. Grant, O Lord, that by its contemplation we shall receive comfort and consolation and with it be united to the most sacred hearts of Jesus and Mary, now and forever, Amen.
