

All horses must be on the Grounds by 10 a. m. on Monday September 11th.

Special Rules governing the exhibit of Horses in the Horse Ring, may be made by the Committee at the opening of the Exhibition, and all exhibitors will be required to conform to the same.

The ages of Thoroughbred and Standard bred horses will be calculated from the first January, 1899, all others from 1st July.

Stalls will be allotted by the superintendent when the horses arrive on the Grounds : they must be cleaned out before 7 a. m.

All animals competing for prizes must be entered in the names of their *bona fide* owners or their duly authorized agents ; should doubts arise, the Judges may require solemn declarations of ownership.

In making entries, the owners' name and address in full, *the name of animal* (if named), and the age, must be given.

In the classes for Thoroughbreds, full pedigree, properly certified, must accompany the entry, or the number of registration in the Stud Book or the American Trotting Register for standard bred horses, must be given on the entry form. No animals will be allowed to compete as pure bred unless they possess regular stud pedigrees.

In the class of Canadian horses, a certificate must be given from the " Canadian Book of Genealogy."

No horse will be allowed to enter or compete in more than one class or section, except for the Medal for the best horse or mare or any age in such class.

No horse will be allowed a premium unless sound, except injured by accidents which do not lessen its usefulness.

The Judges will commence their duties on the day specified for each class and continue their work during consecutive days up to its completion.

All horses competing for prizes must be brought out for inspection by the Judges, or for exhibition, whenever called out by the superintendent to attend to that duty.

Non-compliance with any of these rules, or the general rules of the Company, on the part of any exhibitor or his employee, shall entail the forfeiture of any premium awarded.

Exhibitors who may desire to take their horses home at night will be allowed to do so on depositing \$10 with the Superintendent as a guarantee for the return of the animal next morning. If the horse is not returned or permit renewed by ten o'clock the next morning, the amount deposited will be forfeited to the Company.

Exhibitors, if required, must at any time during the progress of the Exhibition produce a certificate from a Public Weighing Office, giving the weight of the horses exhibited.
