OFFICE OF THE

# Canadian Farmer's Almanac.

MONTREAL, September, 1880.

The publishers of this OLD, RELIABLE and STANDARD ALMANAC, with a view to meet the wants of their numerous patrons throughout Canada, have had the matter arranged for the past few years so as to include the Provinces of Ontario, Quebec, New Brunswick and Nova Scotia. There has therefore been a departure from the old and familiar arrangement of the monthly pages. The Ecclesiastical Calendar and Weather Aspects, &c., will now be found at the foot of each month's solar and lunar calculations. The monthly foot notes of sound advice to Farmers have been transferred to pages containing useful information
