## The Foundation of a Great Success

The world-famous merchant, John Wanamaker, attributes his phenomenal success to having carried life insurance on the endowment plan. This system encouraged him year by year to lay by a fixed amount of money. As means increased, additional policies were taken and as they matured the proceeds were invested in new departures in connection with the business. These endowment policies helped greatly in the accumulation of capital. Every young man should carry endowment insurance. It furnishes a motive for saving. Money that might otherwise be dissipated is accumulated—and at good interest. Many have laid the foundation of success, not so notably perhaps as that of the Philadelphia millionaire, through investing in endowment policies in the Mutual Life of Canada.

Do not spend your surplus, lay it by for  
a sunny day by means of a  
Mutual Life Endowment.
