OWED TO THE HEN.

"Of robin and skylark and linnet, spring poets write page after page. Their praises are sounded each minute by prophet, soothsayer and sage. But not since the stars sang together: not since the creation of men, Has any one drawn a goose feather in praise of the patient old hen. All honor and praise to the singing that cheers up the wildwood in spring; The old recollection oft bringing joy, childhood and that sort of thing. But dearer to me than the twitter of robin, or martin or wren, Is the motherly cluck, when a litter of chickens surround the old hen. And her midwinter cackle, how cheery above the new nest she has made: It notifies hearts, all awary, another fresh egg has been laid."

Messrs. Lloyd-Jones Bros., Burford, Ont., importers and breeders of Shropshire sheep, write: "Our importation of show sheep selected in England by Mr. Telfer has just arrived. To say that we are pleased is drawing it mild. We have a shearing ram, bred by Alfred Tanner, which, although not highly fitted, for conformation and quality is, we think, good enough to be heard from at the shows. We consider him even better than Troublesome, who won the silver medal at Toronto last year. The ram lamb from the same flock is sired by Saturn, a Royal winner; his dam is by a Royal winner, and his grandam by a champion of the Royal. He is a lamb of great substance and quality. A shearing ewe from the same flock is a fine one, and a ewe lamb from Mr. Nock's flock adds to our flock very much. The shearing rams and ewes we are fitting for the shows are all, except one, sired by the Mansell ram, Marauder, whose reputation as a show sheep is well known. We have a choice lot of lambs from these two imported rams, which will please wherever they go, and the breeding will tell every time in the flocks."

WORLD'S FAIR SHOW STAFF.

The following gentlemen, selected by Col. Mills as the show-yard staff of the live-stock show of the World's Fair at St. Louis, are well and widely known in live-stock circles throughout the United States and Canada, and need no introduction to live-stock exhibitors, viz.: Secretary, Fred H. Rankin, Illinois; General Superintendent, J. B. Dinsmore, Nebraska; Superintendent of Horses, O. P. Updegraff, Kansas; of Cattle, C. R. Thomas, Missouri; of Sheep, John L. Thompson, Indiana; of Swine, Geo. S. Prine, Iowa; of Poultry, T. E. Orr, Pennsylvania; Marshal, H. H. Hinds, Michigan; Assistant Marshal, A. P. Madden, Indiana.

EXHIBITION JUDGES.

Mr. W. W. Hubbard, Managing Director of the St. John, N. B., Exhibition, writes: "The following judges will, at the recommendation of the Dominion Live-stock Commissioner, be secured for the coming Exhibition at St. John, September 17th to 24th, 1904: Heavy horses, J. M. Gardhouse, Weston, Ont.; beef cattle, Duncan Anderson, Orillia, Ont.; dairy cattle, W. F. Stephen, Trout River, P. Q.; sheep and swine, Andrew Elliot, Galt, Ont.; fruit, Geo. H. Vroom, Middleton, N. S.

The judge for the light horse classes has not yet been decided upon. Dr. G. M. Twitchell, Augusta, Me., is being arranged with to act as judge of poultry. A very large display of live-stock and agricultural products is already assured, and our amusement features will be especially good. In the industrial department, our floor space is entirely taken up by the best manufacturers in Canada and the United States, and a great deal of interest is being taken in our Exhibition throughout Eastern Canada. In connection with the Exhibition, we are putting on a special outdoor horse show programme, which is arousing a great deal of interest."

I CURE MEN!

NO PAY TILL CURED.

This is for the man who has spent hundreds of dollars trying to remove the burden that is taking all the pleasure out of his life—the weakening drain upon his vitality which is destroying his strength. I can cure you, and if you will secure me for my money when you are well you need not pay a cent till cured.

I don't want money that I don't earn. I don't need it, and I am not after it. But I am after the dollars that are now going wrong in the quest of

health. Look at all these poor wrecks of humanity that are spending all they earn on drugs—dope that is paralyzing their vital organs—that have spent all they have earned for years without gaining a pound of strength for the hundreds of dollars wasted.

That is the money I am after, because for every dollar I take I can give a thousand per cent. interest, and I don't want it at all until I have cured you if you will secure me. I have cured so many cases right here that I can prove my claims to you.

Just lately I have received letters of praise from these men:—

"It is beyond my expectation; back is much stronger; no fagged out feeling, no pain in the scrotum or back, and sleep perfect."—**E. C. HANSEL, Bridgeburg, Ont.**

"My varicocele has greatly diminished, which is a source of great satisfaction to me, and otherwise I feel better too."—**CHARLES NEWLOVE, Bracebridge, Ont.**

"It is thirty days since I began using your Belt, and it has cured my troubles."—**MRS. ROBERT MOFFAT, Blackheath, Ont.**

Wherever you are, I think I can give you the name of a man in your town that I have cured. Just send me your address and let me try. This is my twenty-fourth year in the business of pumping new vim into worn-out humanity, and I've got cures in nearly every town on the map.

Come and see me if you can and I'll fix you up and you can pay me afterwards, or, if you can't call, write to me and I'll do the same. I've got a nice book on men that I'll send sealed, free.
