Tolton's No. 5 IS THE BEST Fork and Sling Carrier

12 REASONS WHY IT IS THE BEST:

It is a Malleable Carrier, neatly fitted and positive in action. It is an Automatic Seivel Carrier, and very easy on the rope. It is efficient in handling either Slings or Fork, and no trouble to change it. It is a Triple Purchase Carrier, when so desired. On account of direct action, it takes less power to lift the load than any other. It can be run into the mow at any desired point. It will unlock without any plunger entering the carrier. It has a leverage brake, and is a very durable carrier. The operator can unlock it whenever he wishes. It is very simple in construction, it has no springs to weaken or break. Its simplicity and strength insure certainty of action. Because of merit, we solicit your patronage.
