

Floors Spic and Span

A WELL painted or well varnished floor is a sanitary floor—easy to keep clean and bright.

Floor Paint, or Floor Varnish has to stand the scuff and wear—and stay fresh and bright under all kinds of kicks and rough usage. The best Floor Paint for all-round satisfaction is

The Old Reliable SENOUR'S FLOOR PAINT

It's the "daddy" of them all. "Way back in your grandfather's time", SENOUR'S FLOOR PAINT was standing the wear and tear of pioneer days—today, it is giving lasting beauty and protection to thousands and thousands of floors.

If a Varnished floor is desired, there is nothing that stands the scuff like

"MARBLE-ITE" FLOOR FINISH

Bump it—push furniture over it—stamp on it—spill water on it—wash it, and "MARBLE-ITE" will stand the wear and tear and retain its original newness and lustre.

THE FENCE THAT'S STRONG--YET SPRINGY AS A BED SPRING!

Here's Proof of Our Statements Read These Letters

Gentlemen—I have handled your fence for four years and had it a good, strong, durable fence, and that the galvanizing is first-class. In referring to this I have a fence that I put on four years ago across a gully and the water is as high as the second wire and it is not rusted nor broken yet. I had a team of heavy horses that ran into your fence last summer and did not break or damage it in the least, and I am glad to say that in the four years I have handled your wire I have had no complaints about it. I remain,

Yours truly,

DAVID CUMMINGS

Bowesville, Ont.

Gentlemen—About four years ago a fence was put up of your make on one side of a road and I may say today it is just as good as ever it was. Now on the other side of the road is a fence put up at the same time, but not yours; it looked nice at the first, but today you would not know that fence or think it the same. It is both breaking down and rusted. This is just to show that your fence is the best and will wear and I think credit should be placed where it is due.

Yours truly,

W. MADDER
