DISASTER BY COLLISION.—The steamer Her Majesty while coaling at the Intercolonial Coal Cumpany's Wharf, Pictou, on Monday was run into by the steamer Merritt and seriously damaged. The Pictou Standard in describing how the disaster happened says that the Merritt, which was disabled by the 'os of her crew, was being towed up to the wharf, and after being cast off came into collision with "Her Majesty," and her anchor which was hanging forward penetrated the planking, making a hole, through which the water rushed in so violently as to render it necessary to run the steamer on the first to prevent her sinking. Her Majesty was loaded by the 'os of her crew, same being towed up to the wharf, and after being cast off came into collision with "Her Majesty was loaded by the 'os of her crew, was being towed up to the wharf, and after being cast off came into collision with "Her Majesty was loaded by melves the standard of the Merital Standard in describing how the disaster happened says that the Merritt, which was disabled by the 'os of her crew, was being towed up to the wharf, and after being cast off came into collision with "Her Majesty was being towed up to the wharf, and after being cast off came into collision with "Her Majesty was loaded by "Baltan Standard and the majesty was loaded by "Baltan Standard and the waster rushed in so violently as to render it necessary to run the steamer on the first to prevent her sinking. Her Majesty was loaded such that a sargo of 4.000 barrels of flour, a large part of which is under waster. supplies you have granted for the public ser Though the revenues accruing from import dues has not reached the expected standard, I rejoice to think that a vigitant super vision of the public expenditure has obviated

that you will continue your services to the State, by encouraging industrial pursuits, diffusing contentment, and upholding the authority of the law in your respective neigh-

MONTEFAL, June 28 -At Ottawa, on Saturday, a Government employee occupying a re-aponeible position in the Receiver General's Department, was arrested on a charge of embez zing upwards of \$50.000 of the public money. He is conected by marriage with a high Cabine

and instructs the Governor General to prevent its diversion from its intended use. It is said Rose will resign in consequence.

No preparations here for he celebartion of NEW YORK, June 26 .- A despatch from Montreal says it is asserted there that Bright and Gladstone both advocate Canadian inde-

United States.

Washington, June 22.—On the 12th inst. Secretary Fish addressed an official letter to the British Minister, informing him of the action of the House of Representatives at its last session, recommending renewal of negotiations for the arrangement of trade with Canada, and inviting Mr. Thornton, the British Minister's co-operation, with the view to the negotiation of a convention, covering the interchange of Products, free navigation of the St. Lawrence, freedom of the Gulf and inabore Fisheries, and such other matters as may be embraced in the general subject of the trade relations between the United States and Canada. The British Government has given the Canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical control of these subjects, so far as that response to the canadian authorities practical canadian canadian authorities practical canadian canadi control of these subjects, so far as they are con-cerned, and it is expected that the Canadian Commissioners will arrive here immediately, to confer with, and assist the British Minister, in

consideration of the proposed convention. NEW YORK, June 26.-Late advices from Cuba state that the volunteers have surrendered the charge of the Moro Castle to the regulars. The troops at Matansas have executed an Eng. lish boy who was charged with carrying correspondence to the insurgents, and the English Commodore is investigating the affair. The cholera is raging violently in both armies, and military operations are entirely suspended.

European.

DESIRABLE MILL PROPERTY FOR SALE.

THE Subscribor offers for sale the Saw Mill and Timber Lands, situated at Sheet Harbor comprising 5868 acres.

The Saw Mill is conveniently situated The Saw Mill is conveniently situated the head of the Harbor, is 120 feet long by 31 feet wide, driven by an overshot wheel, 18 feet diameter, is fitted up with single saw line gang saw, edging tables, trimmers, plainer and matcher, Lath, Shin gle and filing machines, all in good running order.

The wharf adjoining the Mill affords great convenience for shipping and is capable of holding 3 million feet of Lumbor.

The Logs are shot into the boom from the Lake by a sluice, one thousand yards long.

The Property at Sheet Harbor embraces 13 acres of cleaned land, with three Dwelling Houses, Stable, Two Stores, and ice house.

On the North-west Branch of West River there are over one thousand acres—Timber lands.

On the North-east Branch of West River there are nearly four thousand two bundred acres—Timber lands.

DRESS GOODS,

are nearly four thousand two hundred acres— Timber lands.

On Little River there are about Seven hundred

On all these Rivers, the stock of Pine, Spruce.
Hemlock and Juniper is abundant, and in close proximity to the Rivers, which have been cleared of obstacles at heavy expense to facilitate Logging.

For Milling purposes this property offers advantages seldom met with, having a never falling supply of water—or it would be found—just the thing for any person desirous of entering into Shipbuilding, having an abundant sapply of wood material. Gold has been found in various places on the

property, and already some leads have been dis-covered—leaving no doubt that some localities are rich with the precious metal—probably as rich, if not richer than any place in this Province.

Terms will be made easy to a good purchaser—and every information afforded an application to George 11. Starr & Co., Halifax, or to D W. Ar-chibald, Sheet Harbor. GEO. H. STARR. Halifax, April 28, 1869. 3m.

CHURCH ENLARGEMENT ---AT---WINDSOR.

The Ladies in connection with the Methodist Church at Windsor, beg to intimate to the public that they intend holding a B A Z A A R during the early part of September, for the purpose of obtaining means to enlarge the Church of that place, as its present capacity is unequal for the accom-modation of the rapidly increasing congregation. As the expense in connection with this undertak-WHITE & GREY COTTONS ing will be large, it is earnestly requested that the public will cheerfully lend their assistance to the ladies, in their noble endeavors for the promotion
