AYER'S Sarsaparilla

cures Rheumatism, Neuralgia, Rheumatic Gout, General Debility, Catarrh, and all disorders caused by a thin and impoverished, of corrupted, condition of the blood; expelling the blood-poisons from the system, enriching and renewing the blood, and restoring its vitalizing power.

During a long period of unparalleled usefulness, AYER'S SARSAPARILLA has proven its perfect adaptation to the cure of all diseases originating in poor blood and weakened vitality. It is a highly concentrated extract of Sarsaparilla and other bloodpurifying roots, combined with Iodide of Potassium and Iron, and is the safest, most reliable, and most economical bloodpurifier and blood-food that can be used.

Inflammatory Rheumatism Cured. "AVER'S SARSAPARILLA has cured me of the Inflammatory Rheumatism, with which I have suffered for many years.

W. H. MOORE."

Durham, Ia., March 2, 1882. Durham, Ia., March 2, 1882.

"Eight years ago I had an attack of Rheumatism so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPA-RILLA, by the use of two bottles of which I was completely cured. I have not been troubled with the Rheumatism since. Have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public.

"Last March I was so weak from general debility that I could not walk without help. Following the advice of a friend, I commenced taking AYER'S SARSAPARILLA, and before I had used three bottles I felt as well as I ever did in my life. I have been at work now for two months, and think your SARSAPARILLA the greatest blood medicine in the world.

UNFERMENTED WINE, Prepared for Sacramental and Dietetic use

F. WRIGHT, MANUFACTURING CHE-MIST.

KENSINGTON HIGH STREET, LONDON, W. "This WINE is guaranteed to be the juice of the finest grapes of the Coted'or, Andalusia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of manufacture is a slight modification of a well-known aucient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in wlich the stomach is 'oo weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when al

"I have chemically examined the bottle o Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's Belfast Agent), and find that it is free from alcohol, and contains the constitutents of grape juice. When mixed with water it will prove an agreeable beverage."

Who is Perry Davis?

About firty years ago when Perry Davis, of Providence, R. I., in the United States, first introduced to the world his now universally known Pain-Killer, he was a poor man without influence, a cripple and an invalid. He studied the effect of certain drugs upon the human system, and experimented in their uses until he had compounded a medicine capable of curing his own maladies. When restored to health, he offered the preparation to his fellow sufferers, until now there is not a country on

earth which does not buy it. It is eminently a .. HOUSEHOLD MEDICINE .. Safe to use at all times. It is adapted for both internal and external application, and reaches a great many complaints, such as Sudden Colds, Chills, Congestion or Stoppage of Circulation, Cramps, Pains in the stomach, Summer and Bowel
