GRATEFUL-COMFORTING. OCOA

"By a thorough knowledge of the natural laws which govern the operations of the digestion and nutrition, and by careful application of the fine properties of well-selected Cocca, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—"Civil Service Gazette.

Jos. Beaudin, M.D., Hull, P.Q., writes: Dr. Thomas' Electric Oil commands a large and increasing sale which it richly merits. I have always found it exceedingly helpful; I use it in all cases of rheumatism, as well as fracture and dislocations. I made use of it myself to Wood Carvers, and Gilders, calm the pains of a broken leg with dislocation of the foot, and in two days I was entirely relieved of the pain."
