**WE WISH**

we could make everybody realize what a wonderful improvement the

**"Cushion Frame"**

feature really is. It is to the old style rigid frame what the pneumatic tire was to the solid tire. It prevents jolts, jars and vibration, and one can ride fifty miles on a cushion frame bicycle with less fatigue than in riding twenty-five miles on an ordinary rigid frame bicycle.

You can get this feature in connection with the Cleveland, Brantford, Massey-Harris and Perfect Bicycle.
