"THE BLOOD IS THE LIFE."

DR. HALSEY'S FOREST WINE.

FROM the new matter and great merit, this Wine is fast becoming the favorite medicine among every class of people. Hence the numerous Certificates, Consumptive Doctors, Conductors of the Railway, Steamboat, and, above all, the thousands arising from impure Blood and bilious Stomachs, constantly numbers of the Medical Faculty have sanctioned and adopted the use of it.

After E. STANLY, celebrated Physician, in a letter from Penn Yan, New Jersey, dated November 16, 1848, declares that in all his experience he had never met with anything to compare with the Forest Wine and Pills, while there have already several cases of constitutional Debility and Scrofulous affection which it cured in an incredible short time. Among the members of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it to universal use, will be found the names of the celebrated Dr. M. T. Goodman, Dr. S. I. Mott, Dr. L. Cozzenson, Dr. Collins, Dr. William Brown, Dr. Marvin, Dr. J. M. Hixson, and others.

TESTIMONY of Johnson Burke, highly respectable citizen of Waverly Place, New York city.

Dr. G. W. HALSEY:—DEAR SIR,—I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what Doctor Physicians failed to do in six months. In 1845, I became a victim of the Health Disease and Serious Affliction, which has been growing on me ever since, until I procured one bottle of your Forest Wine and Pills, of which I had created several hundred dollars for excellent attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had nearly lost all hope of recovery, my complaint was of that close nature which "nature abhors and life but runs a burden." Seeing your Forest Wine advertised I concluded to give it a trial, and before finishing the third bottle felt like a different person, and was able to resume business again, entirely cured, by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HEMPSTEAD, Dec. 1, 1847.

Dr. HALSEY:—A bottle of your Forest Wine and box of Pills, which I procured of Mr. Jackson Cox, Your Agent for this place, has done wonders for me. I had been a great sufferer for many a year, afflicted with a distressing pain in the breast, general debility, and loss of appetite. I became almost a skeleton, and had been unable to leave my room for more than two months; my friends gave me up with the Consumption, and despaired of my recovery. I could not obtain any permanent relief from any medicine I had taken, or any physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach much phlegm and greenish matter, and my appetite were perfectly black. I then commenced taking the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than two weeks I was almost well. I am now in better health than I ever did before, having increased twenty five pounds in seven weeks. Your Forest Wine and Pills are highly valued in this vicinity, and I owe my recovery entirely to their virtues. Yours, respectfully,

MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. E. G. Massey, a respectable and well-known citizen of Cohoes, New York, is an evidence which cannot be doubted of the great efficacy of the most famous remedy in GENERAL DEBILITY, RHEUMATIC AFFECTIONS OF THE STOMACH AND BOWELS:—

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most happy success. My wife was badly afflicted with Neuralgia, a disease of the Spine and Kidneys, and general Debility. She found speedy relief, and restored her health, by the use of the Forest Wine.

From my own knowledge of the excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best remedy with which I am acquainted, and those who are afflicted with the above, or any similar diseases, may safely rely on its virtues.

Cohoes, March 6, 1850. E. G. MUSSEY.

More Testimony from Cohoes.

Dr. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I called on Mr. Terry, your Agent for this town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.

Cohoes, April 18, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with dreadful disorders, and considered incurable, may be seen at Dr. Halsey's principal Office. The following are some of them residing in this city:—

Mr. Asa S. Smith, 167, Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. The best medical skill endeavored to relieve him. He tried the Forest Wine, and it met in his case, and he was completely cured by the use of four bottles and a box of the Forest Pills.

Mr. Jacob Bell, Merchant, in Pearl Street, was, for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and less than a box of the Pills.

The remarkable efficacy of the Forest Wine is very striking in the case of the Hon. S. I. Brown, of Virginia, who was cured in a few hours' time of a severe attack of Bilious Diarrhœa and general prostration of bodily energy. On the arrival of this gentleman in New York in March, he was so weak and nervous, that he could not walk a square, he could not write, and was unable to transact any business. The Wine was sent him to with his last apartment. Two of less than a bottle for, and the recovery was complete.

Local Pains, &c., it has proved surprisingly successful, safely failing to cure, even in cases of long and long standing cases. CRAMP IN THE STOMACH, OR BILIOUS CHOLIC.

We believe it will never fail in speedily curing it, should it be a responsible act as a dose, or a single dose of molasses, or in any manner the patient can take it best, and the Stomach and bowels freely bathed. And if the Stomach or bowels should be the patient should take half a teaspoonful on sugar or molasses.

In Dunstable, this season, it proved effectually useful. It was found to yield to the Pain Killer, and CURTIS & PERKINS' CRAMP AND PAIN KILLER, and it is now fully established by the first Physicians in Lowell, as the best, the surest remedy to be used.

As a dressing for *Cuts, Wounds, Bruises &c.*, it will without a rival. As also in cases of *Burns, Scalds, Freeze, &c.*—relieving the pain and healing in short order.

Bathing the head with it is generally a cure for the Headache.

Please read the following statement from Capt. Daniel Fraser, Esq., of Dixmont, Me.:—

DIXMONT, July 21, 1849.

Messrs. Curtis & Perkins:—For two years past I have been entirely prostrated with the Rheumatism; both of my knees were swelled to the size of a barrel, and the swelling came out on my breast bone, appearing like a part of the bone thrown out. Another bone was thrown out of my wrist. In short, I endured the most excruciating pain for nearly two years. I employed the best medical skill in the country, but received no benefit. I tried a great number of medicines and preparations, without success, in search of relief or alleviation, when I finally got information of your Pain Killer. I procured a bottle, and before I had used one bottle I found I could get some rest nights, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles, and am entirely relieved from pain. The swelling has all gone down, both in my limbs and breast, and I am entirely relieved from pain. I have been able to go a good day's work at any time for the last three months, and have not had the slightest symptom of my case can convey the vast amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism. I have also used it for a cold and pain in the stomach, and always found immediate relief.

PLANTAGENET WATER.

Among the objects of attraction at the late Industrial Fair, the Plantagenet Mineral Water held a conspicuous position, and its exhibition was attended, we learn, with the most favorable results. The Commissioners appointed Dupuy for their analyzation, and his report fully bears out the high character which this water has obtained. Strangers and visitors in the city could be supplied. The celebrity of these Mineral Springs has been so thoroughly and satisfactorily established that testimony of any kind is unnecessary. The highly respectable certificates given in our pages of to-day will, if possible, increase their reputation. The Plantagenet Spring Water is the purest mineral water of the Province, and the analysis of the Commissioners highly favorable to the character and quality of these Springs. Dr. Nelson and Gibb placing these above all other Mineral waters on this Province.—For my part I believe I cannot do a greater favor to the afflicted than by recommending the use of the Plantagenet Spring Water, and since that time I have prescribed it to a very large number of my patients with invariably success.

Two members of my family, of feeble and delicate constitutions, have derived great benefit from the use of this water. One had nearly lost all power in the right arm by the result of a severe rheumatic affection; the other from a nervous debilitated from debilitation; the other one to relieve a severe affection of the digestive and alimentary organs.

The administration of the Water is attended with the happiest result in constipation, arising from sedentary habits, and in acute affections of the liver, kidneys, &c., it has proved highly beneficial.

In heartburn, morning sickness, and the other complaints to which women are subject under certain circumstances, it acts most agreeably and effectually. In these derangements of the digestive organs in acute action these derangements of the digestive organs in acute action of the liver and bowels, it should be taken in smaller quantities at a time, but more frequently.

From an extensive experience I am well satisfied with the operation of the Water; in truth, possess it in quite palatable, and I deem it preferable to any other of the Mineral Waters I am acquainted with. I look upon the Plantagenet Water as a most valuable acquisition to the Materia Medica.

WM. NELSON, M. D., V. P. L. C.

Phy. & Sur., Canada East.

Many months experience in the use of the Plantagenet Waters in my practice have fully convinced me of their virtue as a remedial agent, and I have not failed on any single occasion to express their use. I find that they seldom disagree with the stomach, and always act as a gentle aperient and alterative, rendering tonic, purgatives, they possess in addition, a decidedly tonic, properties.

Certainly, too much has not been said in their favor, for they are, probably, the most valuable Waters on the Continent.

GIDEON D. GIBB, M. D.,

Licentiate Royal College of Surgeons, Ireland,

Physician to the Montreal Dispensary.

Montreal, 5th August, 1850.

The following certificate is from the Hon. Peter McGill, a Member of the Legislative Council of the Province, and President of the Bank of Montreal:—

CHARLES LA FONTAINE, Esq.

DEAR SIR,—Having during the year past used the Plantagenet Water, the well known and so highly esteemed mineral spring of our own Seminary, Montreal, to my family, I can bear testimony as to its salutary effects on my own immediate health, and doubt not its efficacy in consolidating to strengthen and invigorate the constitution of those who may require it. Speaking as I do, from the effects of the water on myself and family, I feel myself called upon to recommend it to the public, and my own experience of its excellent qualities fully warrants me in giving my testimony to its beneficial effects.

Yours truly, PETER McGILL.
