Hunger, Ally Of Capitalists

Spectre of Starvation is Looming Up Large in Foul Slums of Dublin City.

(Canadian Press Despatch) NEW YORK, Sept. 15.—A London cable says: Hunger has become the ally of organized capital in the fight against the Dublin transport workers.

LIVELY MORNING WITH THE POLICE

"Money Talks, But Seldom Walks," Said Magistrate Livingston Today.

When Henry Butler, the local youth appeared in police court this morning on a charge of having stolen goods in his possession, alleged to be the property of Hamilton and Toronto hotelmen, the Crown had no evidence to offer, and the case was therefore dismissed.

The case was therefore dismissed. Butler was arraigned on a further charge of stealing \$100, the property of Wm. Steeman, from the rooming house where he lived.

WEST WANTS MORE ENGLISH WOMEN

Mr. J. Bruce Walker Says Canada Wants More Old Country Supplies.

WINNIPEG, Man., Sept. 15.—Canada has not enough of the right kind of women and the old country's supplies are not coming fast enough.

Walker says that this is a most extraordinary fact when one takes into consideration that women get better wages here, have better homes, and owing to their scarcity for domestic service receive more consideration than in the old country.

By far the greater number of women immigrants are Scottish. "However," added Mr. Walker, "nationality has nothing whatever to do with the question. It is character that counts."

The second largest supply of single women for Canada comes from England. "Ireland is third, but she sends very few through to the west."

Mr. Walker makes the emphatic statement that 99 per cent of emigrant women to Canada make good here, and others fail simply because they will not adapt themselves to circumstances here also to some extent because they do not get a decent start on their arrival.

The City Council Session Tonight

The by-law for the election of a Board of Education in place of school boards, will likely be introduced at the council meeting to-night.

There will be no city hall proposition submitted this January, for the reason that there is no money. The city has, it is true, \$80,000 from the sale of the old Waterworks property, but this is being utilized to carry along Hydro-Electric construction, the Hydro debentures not becoming effective until 1914.

Brantford parents might well believe that there was something intrinsically good in the old curfew bell ringing after the occurrence this week.

County Council and Collegiate Board Agree

Question of Maintenance Cleared Up and There are No Outstanding Differences to Settle.

At a special meeting of the County Council in the Court House Saturday afternoon, it was decided to join with the city in the rebuilding of the road leading to the House of Refuge, as the rear route which will branch off from the House of Refuge road and lead to the Brant Sanitarium, the report of the educational committee concerning the Collegiate account was accepted, and it was decided that the council attend a conference of representatives from the counties of central Western Ontario at Guelph, Sept. 30, when the establishment of an industrial farm will be discussed.

Educational Committee's Report. Saturday, previous to the meeting, the educational committee met with Principal Burt of the Collegiate, Mr. Pickles of the board, and Mr. Buskard, secretary, and went over the accounts of the Institute in connection with the amount due by the

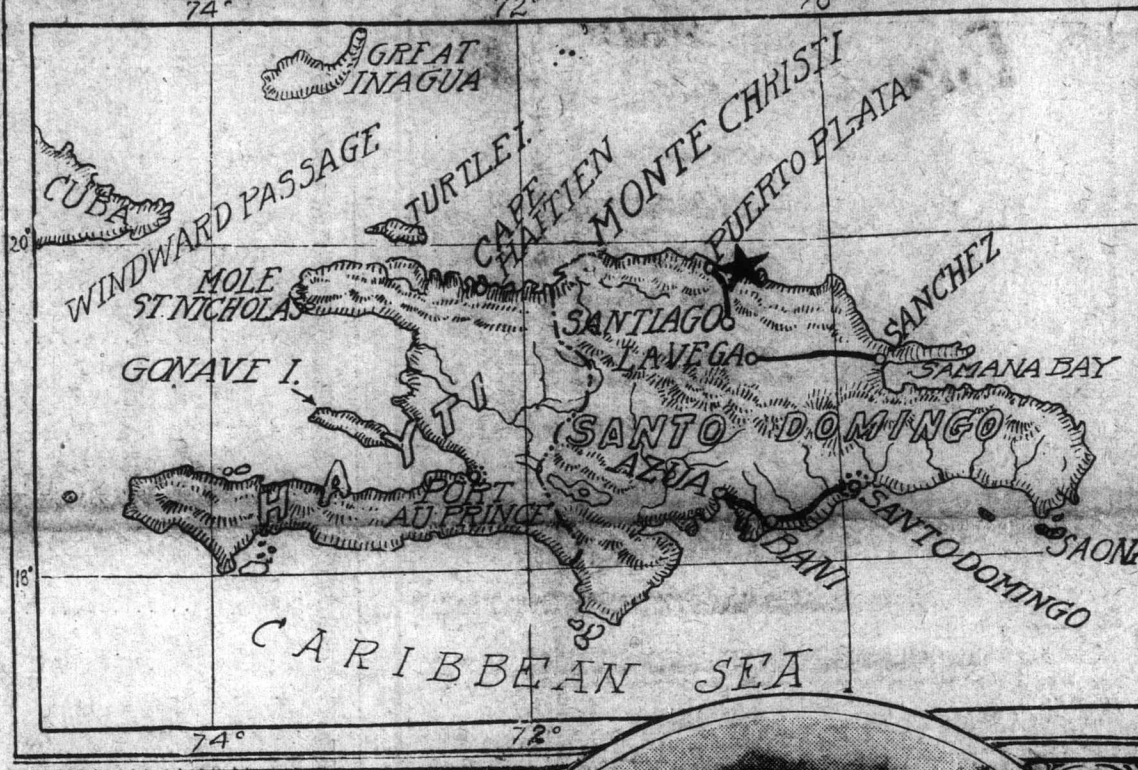

county to the Institute for the maintenance of county pupils, over which a difference of opinion had arisen.

An adjustment was arrived at and the following report of the committee accepted: To the Warden and Councillors of the County of Brant: Gentlemen—Your committee on Education to whom was referred the account of the Brantford Collegiate Institute, in connection with the amount due by the county to the Institute for maintenance of county pupils for the school term from July 1st to 31st December, 1912, beg to report as follows: Your committee have carefully examined the statement supplied by the Brantford Collegiate Institute, also have been checked over the various accounts referred to in the statement. Your committee are of the opinion that the accounts referred to in the

GENERAL VASQUEZ AT HEAD OF SANTO DOMINGO REVOL.

SCENES OF THE TROUBLE IN SANTO DOMINGO

There is a serious revolution in full swing in the northern part of Santo Domingo, and the lives and property of Americans there are in serious peril.

Reports state that a battle was fought at Monte Christi, in which the government troops were victorious. No details are available as to the number of men engaged.

American in Santo Domingo are eagerly awaiting the arrival of the American cruiser Des Moines to protect them and their property in case the revolution spreads.

General Horacio Vasquez, formerly president of Santo Domingo, is leading the revolt against President Bordas, with whom the United States is in sympathy.

MAJOR ROTHWELL HAD NARROW ESCAPE

Former Brantfordite in a Serious Affair at Los Angeles.

Major B. H. Rothwell, formerly of Brantford, but for some years a resident of the States, is expected shortly on a visit to his son in Detroit, following his convalescence after a serious accident.

Mr. Rothwell had a miraculous escape. He was found with two dead men alongside of him and a heavy beam had to be removed in order to effect his release.

Rev. T. E. Holling Is Outspoken

In the course of a very excellent sermon, Rev. T. E. Holling, minister at the Colborne St. Methodist Church, the evangelist declared that there are last night a number of men who would not allow to conduct meetings in his church and gave as his objections that they were unfitted for their work, preaching doctrines of the middle ages and telling stories of the people, scaring them into making a stand. This was denounced.

Fred Charlton Is Appointed

It is expected that Mr. Frederick Charlton, well known in this city, will be appointed to a position in the Customs Office here to fill the vacancy caused by the resignation of Mr. Herbert McIntyre, who resigned to accept a position as permanent secretary of the Liberal Club here.

A breakdown in the Courier Mechanical Department to-day, of a temporary nature, necessitates the elimination of several important news features.

Orangemen's Fine Parade

The members of the local Orange lodges attended Divine service at the Alexandra Church yesterday afternoon. They assembled at their lodge rooms and marched down Colborne street to the church, headed by the band of the East Hamilton Industrial Progressive Association, 36 strong, and the Starlet Knights Drill Corps, 22 strong, also of Hamilton, over 400 members of the order attending the service.

Scotchman Not Sabbath Breaker

Would Not Pay Duty at New York Port on Sunday—His Mother's Teachings

(Canadian Press Despatch) NEW YORK, Sept. 15.—Because he was the Lords' Day, and his mother had taught him never to trade on the Sabbath, Angus K. Christopher, of Dunfermline, Scotland, declined to pay \$2.35 duty yesterday for a strip of woollen cloth, when customs officials, who boarded the steamer on which he had just arrived from Glasgow asked that he settle.

TAYLOR WILL BE AT THE INQUEST

Authorities Believe That He Should be There—Verdict Not in Question.

The inquest into the death of Charlie Dawson, who was murdered last Monday night, is being held this afternoon at police station. It is likely that James Taylor, the self-confessed murderer of Dawson, will be brought before the coroner's court.

Only a few witnesses will be heard, as it is not considered necessary by the authorities to submit a lot of evidence. Whether Taylor will tell his story or not, is not known.

Mr. Thomas Woodvart who acted for Taylor at the police court hearing, signified his unwillingness to act for the prisoner again.

At to-day's enquiry there is little question as to the verdict, in view of the prisoner's confession, and it is unlikely that any endeavor will be made to bring out sordid details.

WORKING IN HARMONY

Members of the County Council and Collegiate Institute Board state today that there was no dispute as to the amount owed by the county to the Collegiate. The matter was entirely adjusted at a meeting Saturday morning.

Mr. H. Judson Smith was in South-cote yesterday where he was called owing to the very serious illness of Mrs. T. H. Laudman.

Mr. and Mrs. V. J. Sweetman left Saturday en route for Detroit and Cleveland where they will spend their vacation. Mr. Sweetman is the well-known leader of the Alexandra church orchestra, also chief clerk at T. H. & B.

The Old Grandstand Had a Very Close Call

Fire at Agricultural Park Yesterday—Mr. Nelson's Jinx Still Pursues Him.

Shortly after five o'clock yesterday afternoon, the fire department were summoned to the Agricultural Park to extinguish a fire which had broken out under the centre grand stand.

The fire originated in the dressing room under the stand, and was burning fiercely when the brigade arrived on the scene.

The firemen got out a number of baseball and football suits and sweaters, also a number of lacrosse sticks and three footballs. The cushions that were used in the centre grand stand, were mostly all damaged by fire or water.

CONTRACTS LET BY THE TOWNSHIP

Council Met Saturday Afternoon for Business—Much Work Undertaken.

Saturday afternoon the Township Council held a half hour session at which contracts for several walks were let and several petitions for walks were referred to the Township Clerk.

The Royal Artificial Stone Paving Co., of Guelph, were awarded the contract for the laying of a cement sidewalk on both sides of Aberdeen and Emily streets. Their tender was \$11.4 cents per square foot.

The following sidewalk have been petitioned for: South side Walter St., from Gordon to Lita; north side and south side Nelson St., from Park Road to Stanley Street; east side of Second avenue from Hamilton Road to Chatham street; and east and west side of First Avenue from Hamilton Road to Wellington street; north side of Wellington street from Park Road to Stanley Street; west side of Fourth avenue from Hamilton Road to Wellington street.

Township Clerk Smith was instructed to examine the petitions to see if they were sufficiently signed.

WILL ATTEND CONFERENCE

Although the Brant County Councillors do not see a great deal as yet to be gained by the establishment of an industrial farm by the counties of central Western Ontario, they will attend a conference of representatives from several counties in Guelph, Sept. 30.

The conference about to be held will be the third in the history of the movement of which Oxford County is the prime mover. So far representatives have attended from Oxford, Norfolk, Elgin and the city of Berlin.

It is more than probable that should the farm be established the county jails will have to be retained and owing to this the establishment of the farm would be an additional expense and that is an objection. However the county fathers will attend and should the matter look feasible they will no doubt fall in line.
