JUST WHAT YOU PAY FOR-

Did you ever stop to think of that, that a fellow usually gets what he pays for? It is true in everything you buy, and in no goods is it more noticeable than, in clothes. When you wear your clothes they are always on exhibition and your friends size them, you bet. The difference between Bill and Jim is that Bill buys good clothes and always appears well dressed, while Jim invests in cheap ones, and, as Bill told him, "he looks it." Now the queer part of this comparison is that in the long run Jim's clothes cost him more than Bill's. I MAKE BILL'S,
