Advertisers Are Not Pirates!

Here is a nut for every household to crack: The price of commodities which are advertised for sale has risen much less than the price of things never advertised. If you haven't a hammer handy, we shall crack that nut for you. When any concern has spent thousands for advertising it cannot afford to throw away business in a species of piratical charges. Not so with the vendor of a head of cabbage or a bag of potatoes. He is restrained by nothing except the contents of your pocket.
