Probably most of the readers of the ACADIAN know that a company called the Wolfville Fruit Land Improvement Co. was incorporated by act of legislature last winter. Perhaps few, however, Chicago about the 1st of November for know just what the object of the comsuch apples, pears, grapes and other fruits pany is and just what they are doing.

Realizing the immense capabilities of that date. Fruits placed in the storage this part of the Valley for fruit produc- rooms in good order may be satisfactorily ing, and believing that from its bealthful and beautiful location Wolfville is destined to become more and more a specimens they can be brought out in favorite place of residence, the object of this company will be to buy, lay off and improve the land in this vicinity, so that any person desiring to settle here can at a reasonable price become the probably the early part of June. can at a reasonable price become the owner of an improved fruit garden and building lot. The idea is an excellent one, and gives every promise of being an eminently successful one. Already the company have purchased a large area of unimproved land, some of which they have broken up and planted in trees; and the work is to be carried the strees; and the work is to be carried area from the brook. At that time there was a school-house, kept by a Scotchman name and Thomas Little, and it was there I spent my younger days. The next was a house at the brow of the hill occupied as a dwelling and shop by a man named John Law, who afterwards moved to Yarmouth. The next was the old tavern owned and the work is to be carried area for a practicable their natural colours. trees; and the work is to be carried briskly forward. They have purchased may be retained. the property lately owned by Rev. J. B. Hemmeon, which is undergoing extensive improvements. The dwelling has been neatly painted and the out. has been neatly painted and the outbuilding moved and repaired. It has

WINDSOR & ANNAPOLIS RAILWAY

have provided in The "Flying Bluenose" running to and from Halifax on and af-ter July 5th, a train second to none on the American Continent, made up of PALATIAL PULLMAN PALACE DRAWING-ROOM CARS & SALOON COACHES,

the perfection of comfort, cosiness and convenience, with every luxurious equipment the heart of the most exacting tourist can demand.

Even an Anchorite would turn Epicurean on Inspection of

these Superb Trains. Your eyes are fed by the charms of congfellow's immortalised land; your nner man can derive similar enjoyment, as the buffet of each Parlor Car affords a copious selection of dainties and delicacies; and, withal, you can rest sing in your cosiest of arm chairs, at peace with man and Nature, content that life can confer no greater bliss.

The Parlor Cars have been specially built for the "Flying Bluenose" by the HULLMAN PALACE CAR COMPANY, and neither skill nor money has been stinted to make them unique of their kind. The lover of the 'weed' will find in each a snuggery where, in luxurious comfort, he can wreath all sorts of

astles in the smoke-world. THE REQUIREMENTS OF EV. ERY TRAVELER HAVE BEEN CONSIDERED.

The motto of the Management in constructing the "Flying Bluenose" Parlor Car Expresses has been to supply the maximum of comfort and the removal of ever inconvenience attending on journeying by rail.

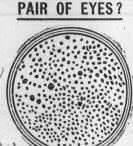

If this fixes you, write for further particulars, copy of exquisitely illustrated guide-book and time-table showing connections with every railway in Canada and the States.

W. R. CAMPBELL, General Manager and Secretary, K. Sutherland, Kentville, N. S. Resident Manager.
