The Harvest Home of the W. C. T. U.

Oh, ye children, great and small, Glad ones, sad ones, each and all, Children good and children bad, Blue-eyed girl or brown-eyed lad; We ones with your shining eyes, Shy ones with your swift smiles, Brave ones with your courage bold, True ones with your hearts of gold; From all lands where you hold sway In your witching, winsome way, Lift to-day triumphant voice; Shout aloud, be glad, rejoice.

Children, on this glad some morn'g Years ago a child was born; Just a little girl like you, Hair of gold and eyes of blue; Full of fun, of romp and play, Happy all the living day; In a home where love bore rule, In great nature's kindly school, God's wise purpose placed her life Far from city's meddling strife; In the country's bush and rest, There He wrought this age's best.

Children, to that prairie home All good fairies used to come; Gifts they brought of rarest worth, Thoughts of friends, heavenly birth, Purpose both deep and vast, Hopes that must through ages last; Glimpses all of things ideal, Visions swift to know their rest; Courage brave and insight rare; Faith in God and faith in man, Head to toil and heart to plan.

Children, when this deed was wrought In the depths of God's great thought; When this child a woman grew God gave her a gift to you; Gave her mind with riches rare; Gave her love and gave her life; Heart and brain and hand and will, All her powers are for you still; Aye, a love that strong she stands For all children in all lands.

Do you wonder that I say "Shout aloud for joy today?" Children, do you ask me how You your gratitude may show? Listen, God would have each life Like here, lived above earth's strife; He would have each home a place Where may shine His radiant grace; Bad grave wrongs are in each land; Men are fettered brain and hand; God calls you the wrong to right, Darkness drive to turn to light; Thus you best can use His gift As with her the world you lift.

Children, hark, I hear glad feet Marching down the ages fleet. Look, I see a glorious band, Boys and girls march hand in hand. Brave they are and pure and true, Pledged God's holy will to do. Oh, the future grows all bright, As they turn glad eyes aghast; With the love that cannot fail Upon this sick earth's soil, Children do I need to tell This band is our L. T. L.

Oh, ye children great and small, Glad ones, sad ones, each and all, This brave band has need of you; Will you join with purpose true? Will you help us in the strife? 'Gainst all wrongs which wreck man's life.

By God's gift of leader true, By His Gift of gifts for you; By your hopes for years to come, By your love of friends and home; As "Thy kingdom come" you pray Join our ranks this "Harvest Day." —Union Signal.

"Here I Am." There was a deacon in a certain church, says an exchange, in whose pew, one Sunday, a drunken man staggered and sat down. The preacher was discomfited on the prevalent popular vice. Soon he exclaimed, "Where is the drunkard?" The drunken man was just far enough gone to think the call personal, so, rising heavily, he replied, "Here I am," and remained standing while the drunkard's character and fate were eloquently portrayed.

A few minutes later the preacher reached another head of his discourse and asked, "Where is the drunkard?" The drunken man was just far enough gone to think the call personal, so, rising heavily, he replied, "Here I am," and remained standing while the drunkard's character and fate were eloquently portrayed.

Temperance people will feel the strongest interest in the success of Dr. Nansen, the intrepid young explorer, who has recently set sail from Christiania on his long-talked of expedition to the North Pole. Dr. Nansen has already made a famous exploration in Greenland and has learned to sleep in the snow in a bag of skins. In all of his expeditions, neither he nor his comrades have allowed a drop of alcohol to pass their lips.

A perfect woman should have "sunlight in her hair, love light in her eyes, Christ light in her heart."

Scraps for Odd Moments

Minard's Liniment is the best. Seeing is not always believing. For instance, we see liars frequently.

Garfield Tea cures sick-headache. This is the season of the year in which you can get what you do not want real cheap.

Minard's Liniment cures La Grippe. You can count the times on your fingers when you have heard another talk to your satisfaction about himself.

Garfield Tea is sold by all druggists. "Is she well married?" "I should say so. She's been trying for years to get a divorce and can't."

Minard's Liniment, for Rheumatism. What did you say when he kicked you down stairs?" "Say? Why, we are not on speaking terms!"

If you do not know how good a remedy Garfield Tea really is for constipation and sick headache, send a postal card to D. Denmore & Co., 271 Queen Street, East, Toronto, for a free, trial package.

The fashionable woman does not reflect much herself, perhaps, but she keeps her mirror reflecting pretty much all the time.

Dr Arthur F. Abbott, 50 Main St., Waterville, Me., U. S. A., says:—"I have received great benefit on several occasions from the use of Hawker's Nerve and Stomach Tonic, and can heartily recommend its use to any one requiring a bracing and Invigorating Tonic."

Dinner—Isn't this meat rather tough? Walter—There's no denying that, sir, but then we serve extra strong toothpick, with it.

Aluminum plates are used in Germany to engrave and etch upon, and is spoken of as a probable substitute for zinc and lithographic stones.

A Graduate of Toronto University says:—"My children have been treated with Scott's Emulsion from their earliest years! Our physician first recommended it and now whenever a child takes cold my wife immediately resorts to this remedy, which always effects a cure."

There's nothing like discipline, but it don't do a buy any good to make him hoe potatoes in the back garden while a brass band is passing the house.

Several of our exchanges have been recently discussing, "The Best Way to keep Girls on the Farm." How would it do to tie them up matrimonyally?

A Trying Season. The wretched weather of October is an almost certain forerunner of cold in the head and catarrh, but in Nasal Balm the sufferer has a remedy that speedily relieves and permanently cures the worst cases. A bottle of Nasal Balm should be kept in every household. Sold by all dealers or sent, postage paid, on receipt of 50c. for small or \$1 for large size bottle, by addressing G. T. Falford & Co., Brockville, Ont.

An English journal notes that a Bristol firm has been using a band of forty-seven foot long since 1879, the deepest cut being seven feet through oak.

Freddy's First Composition on the Seasons—"There are 5 seasons 2 Every year spring summer autumn winter and fawl but as for Me gimme liberty or gimme death."

Mr R. S. Hall, of the well known firm of Hall and Fairweather, St. John, N. B., writes:—"The Hawker Medicine Co. (Ld.), St. John, N. B. Gentlemen:—I have found most excellent results on several occasions from the use of Hawker's Nerve and Stomach Tonic, and heartily recommend it as most valuable restorative tonic and appetizer."

S. S. Hall. He—Don't you think it wrong for people to marry their intellectual inferiors? She—Yes, always wrong; and in some cases quite impossible.

Sleepy citizen—What do you want in my house? Burglar (presenting gun)—I want money. Sleepy citizen—Good Lord! Give us your hand—so do I.

C. C. RICHARDS & Co. Gentl.—My daughter was suffering terribly with neuralgia. I purchased a bottle of MINARD'S LINIMENT and rubbed her face thoroughly. The pain left her and she slept well till morning. Next night another attack, another application resulted as previously, with no return since. Grateful feelings determined me to express myself publicly. I would not be without MINARD'S LINIMENT in the house at any cost.

J. H. BAILEY. Parkdale, Ont. Wife—Did you notice, dear, at the party last evening how grandly our daughter, Clara, swept into the room? Husband (with a grin)—Oh, yes! Clara can sweep into the room grandly enough but when it comes to sweeping out of the room she isn't there.

Housewives in Florida scrub their floors with oranges. In almost any town in the orange-growing districts women may be seen using the fruit exactly as we do soap. They cut the oranges in halves, and rub the flat exposed pulp upon the floor. The acid in the orange does the cleansing, and does it well, for the boards are as white as snow after the application.

SKODA'S LITTLE TABLETS Cure Headache and Dyspepsia.

A LAKEPORT MIRACLE.

An Experience few Could Pass Through and Survive.

Broken down by Congestion of the Lungs and La Grippe—Weary Months of Sleepless Suffering—A Narrow Escape. From the Colborne Enterprise. The village of Lakeport in the county of Northumberland is beautifully situated on the shore of Lake Ontario, two and a half miles from the town of Colborne. The location of the village is picturesque and healthy, and as a rule the inhabitants of Lakeport are a vigorous people, with very little troubled sickness. But there are exceptions, and even in this healthy locality occasional cases of suffering and long months of weary sickness are found. Among those thus unfortunate was Mrs. Milo Haight, who for nearly two years was a great sufferer, sickness having made such inroads in her constitution that she was almost a complete wreck physically. Although a young woman her system had run down until life had become almost a burden. She had consulted physicians and tried many remedies, but no relief was found. Her attention was finally directed to Dr. Williams' Pink Pills for Pale People, and having read of the many wonderful cures accomplished through the use of this great life-saving remedy, was induced to give them a trial. The result exceeded her fondest expectations, and before long she was restored to her former health and strength. Having heard of this case the Enterprise reporter called on Mrs. Haight, and enquired into the facts, which are given almost verbatim in the following statement: "I was ill for about twelve weeks in the latter part of the 1891, while at home with my father in Trenton. I came to Lakeport, but was here only a few weeks when I was taken with inflammation of the bowels. After insufficiently recovered I returned to Trenton. I had not been at home long when I was attacked with la grippe, which nearly brought me to death's door. A physician was called who said my system was badly run down. This was in February, 1892, and I was under his care for some twelve weeks before I was able to get out of doors. When I was taken down congestion of the lungs and spine set in and then the trouble went to my throat, and led to my ears, causing me to sneeze which gathered and broke three times, leaving me quite deaf. I suffered the most excruciating pains, sleep left me and I could not rest. I suffered continually with cold chills and cold hands and severe headaches. The doctor gave no hope of recovery. As soon as I was able I returned to Lakeport, but did not improve in health and I felt that death would be a relief. In June, 1892, I began using Dr. Williams' Pink Pills and had not been taking them long when the chills left me, my appetite improved, and I slowly regained something I had not enjoyed for many long months. After using the Pink Pills for some weeks I began to feel as though I could stand almost anything. In the month of June, 1892, I weighed 114 pounds, and in April, 1893, I weighed 151 pounds, my great weight. I took the Pink Pills for about four months, but I now resort to them for any trouble, even a slight headache. I truly believe that Dr. Williams' Pink Pills are worth their weight in gold, and I owe my health and strength, if not my life to them. My eyes were weak at the time I was sick, but I have had no such experience since I began the use of Pink Pills. I take great pleasure in thus making known my case, hoping that some fellow creature may be benefited thereby. I allow no opportunity to pass without speaking well of Dr. Williams' Pink Pills. I know of several persons who began their use on my recommendation and were greatly benefited by them. My father, who is some seventy years of age, is receiving great help from their use. I can truthfully say I cannot speak too highly of Pink Pills, and I would not be without them in the house under any circumstances."

Mrs. Haight's husband is also taking Pink Pills for rheumatism, and being present during the interview gave his testimony to their benefit to him. Mrs. Haight's present appearance indicates the best of health, and no one who did not know of her long suffering would imagine from her present appearance that she had ever been sick. Her case is one that cannot, but give the strongest hope to other sufferers that they too may be cured by Dr. Williams' Pink Pills, whose action upon the human system seems almost magical.

Dr. Williams' Pink Pills for Pale People are manufactured by the Dr. Williams' Medicine Co., of Brockville, Ont., and Schenectady, N. Y. Pink Pills are not a patent medicine but a prescription. An analysis of their properties show that these pills are an unfailing specific for all diseases arising from an impoverished condition of the blood, or from an impairment of the nervous system such as loss of appetite, depression of spirit, anemia, chlorosis or green sickness, general muscular weakness, dizziness, loss of memory, locomotor ataxia, paralysis, sciatica, rheumatism, St. Vitus' dance, the after effect of la grippe, scrofula, chronic erysipelas, etc. They are also a specific for the troubles peculiar to the female system, correcting irregularities, suppressing and all forms of female weakness, building anew the blood and restoring the glow of health to pale and sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork or excess of any nature. These pills are not a purgative medicine. They contain only life-giving properties, and nothing that could injure the most delicate system.

The Groder Dyspepsia Cure Co.

GENTLEMEN.—I am 71 years of age. Have been afflicted with sick headache most all my life, which developed into Dyspepsia of a mild type about twenty years ago, and has continued to grow worse until during the past seven or eight years I have not been able to take a drink of cold water or milk, as they would produce severe pains and sometimes vomiting. I have been subject to severe pains in the chest, with dizziness, which have been more and more frequent during the past three or four years. My mouth was furred up in the mornings, accompanied with bad breath. My case was yearly growing worse.

During this long period I have tried many popular medicines, as well as prescriptions from the regular medical practitioners, but without producing any improvement.

In the fall of 192 I concluded to try a bottle or two of your medicine and such were its effects that I continued it until now I can drink cold water of milk without any inconvenience. These dizzy pains are all gone and my mouth is as sweet as a baby's. In short your medicine has cured me and I am sure that all Dyspeptics can be cured by its use.
