

# TUMOR IN THE STOMACH

Completely Removed When She Took "Fruit-a-lives"

NEWBURY, Ont., April 14, 1914.—"Some years ago, I was sick in bed, and thought I was going to die. I had a growth in my stomach, which the doctors said was a tumor and they said that the only thing to do was to go to the hospital and have the tumor cut out. I dreaded an operation although both doctors said it was the only cure. I said I would die before being operated on. At this time, my mother-in-law advised me to take some "Fruit-a-lives" and induced me to try them as she had heard of another woman who had been cured of a similar growth in the stomach by taking "Fruit-a-lives". To please my mother, I began to take "Fruit-a-lives" with the happy result that they cured me. I have not been to see a doctor since and my health is first class. I recommend "Fruit-a-lives" every time I get a chance and will be glad to give you a copy of this letter as some other woman may now be a sufferer from the same trouble and "Fruit-a-lives" will cure her." MRS. A. McDONALD. 50c a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

## The Boy Hero.

Here's a hand to the boy who has courage  
To do what he knows to be right;  
When he falls in the way of temptation  
He has a hard battle to fight,  
Who strives against self and his comrades.  
Will find a most powerful foe,  
All honor to him if he conquers,  
A cheer for the boy who says "No!"  
There's many a battle fought daily  
The world knows nothing about;  
There's many a brave little soldier  
Whose strength puts a legion to rout.  
And he who fights his single handed  
Is more of a hero, I say,  
Than he who leads soldiers to battle  
And conquers by arms in the fray.  
Be steadfast, my boy, when you're tempted,  
And do what you know to be right!  
Stand firm by the colors of manhood,  
And you will overcome in the fight.  
"The Right" be your battle cry ever  
In waging the warfare of life;  
And God, who knows who are heroes,  
Will give you the strength for the strife.—Selected.

## Eczema on the Head.

Mr. Peterson, South Bay, Ont., writes: "For years I tried four different doctors, giving each a fair trial, but the disease grew worse and spread to my ears. I got Dr. Chase's Ointment, and it has entirely cured me. I give you my name because I want other sufferers to know about this splendid Ointment."

## Death Penalty for Chinese Opium User.

Evidence that the Chinese Government is desperately in earnest in its crusade against the use of opium was furnished by an associated press dispatch from Shanghai reporting the public execution of a woman who persisted in using the drug in spite of the official prohibition. By law effective January 1st, habitual opium smoking was made punishable by a fine of up to \$5,000 and in extreme cases by death. Both the empire and the republic tried with varying success to stop opium smoking, economic and international questions are involved in the traffic, which is in a measure produced by treaty.

While the Government can get at adulterators and growers it cannot stop the importation of opium from British India. The trade has enriched India to the extent of millions of pounds during the last century, and British merchants of Hongkong and Shanghai, counting upon the continued influx of Chinese restrictive methods, have gone on importing opium with the expectation that commerce they would be able to market it. And bankers have loaned money to the opium speculators, who are now threatened with ruin. Sixty million dollars' worth of Indian opium is said to be lying in the warehouses without sale.

## Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach. It is not only a source of many sufferings for years with distress, but when a person is unable to eat, their strength and may be had for a trifle! "About one year ago," says H. Beck, of Waterloo, Ontario, "I bought a package of Chamberlain's Tablets and when used they have felt perfectly well. I had previously used many other different medicines, but none of them were of any lasting benefit. For sale by all dealers."

ing buyers. British subjects have not played a creditable role in the pandering to China's national vice. Recently the British legation in Peking demanded an indemnity for a large quantity of Indian opium destroyed as an incident in the war on the deadly habit. The opium was not owned by British merchants, though British trade had suffered. The counter claim is made that the Chinese authorities are more active in seizing opium from India than they are in checking its production by Chinese growers, but at best this is a lame defence, and it is to be hoped that English influence will not be used longer to bolster up a traffic that should be outlawed.

## The Forty Year Test.

An article must have exceptional merit to survive for a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1872. From a small beginning it has grown in favor and popularity until it has attained a world wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures. For sale by all dealers.

## Children Cry FOR FLETCHER'S CASTORIA

People's Forum.

DEAR EDITOR:—I am much interested in the question raised by 'Verax' in last week's ACADIAN: One or two purposes. I should say that it all depends on the kind of wife a man has. If she is the right kind of woman, and the husband the right kind of man, the wife will not demand a salary nor will the husband treat her as a servant by paying her a fixed wage or allowance week by week but there is another side. There is nothing more degrading to a sensitive and refined woman than to be under the necessity of asking, to say nothing of begging, for money to pay the household bills, and, as sometimes happens, to be met with a curt refusal. There is, however, a happy mean. The husband recognizing his wife as part of himself will not be indifferent toward her, but will willingly and cheerfully share the burden with her. Having been made one let them share equally. Mutual love, confidence, respect will solve the problem. I am writing from the standpoint of the married class. May we not hear from the merchant, the farmer and the housewife?  
ONE PURSE  
Serves Notice on Man.

Mr. Man, you've supported your wife long enough.  
Best way you might put it 'twas only a bluff.  
For ages we've known that we earned all we got.  
And this talk of support was just a sham.  
Just think, Mr. Man, how we take and we stew,  
How we polish and dust, and this all for you;  
And then we must say, "Some money, please, dear!"  
You never ask, and we tremble with fear.  
You answer, "Say, what did you do with the last?"  
I faintly go broke when you speak it so fast.  
Well, here's a dollar, and please have a care,  
How you spend it, and I'll stand by you here.  
Mr. Man, take notice, this thing's at an end,  
What we earn we must have, to save or to spend;  
Don't talk of support when you bustle us on, or,  
That bluff's a back number we've just out-grown."  
MRS. M. M. G.

## TWO NERVOUS WOMEN

Made Well By Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I had a severe case of nervous prostration, with palpitation of the heart, occupation, headache, dizziness, noise in my ears, throb, nervous, restless feelings and sleeplessness."  
"I read in the paper where a young woman had been cured of the same troubles by taking Lydia E. Pinkham's Vegetable Compound so I threw away the medicine the doctor left me and began taking the Compound. Before I had taken half a bottle I was able to sit up and in a short time I was able to do all my work. Your medicine has proved itself able to do all you say it will and I have recommended it in every household I have visited."—Mrs. MARY JOHNSON, 210 Signal Street, Philadelphia, Pa.

Another Bad Case.  
Ephrata, Pa.—"About a year ago I was down with nervous prostration. I was pale and weak and would have hysterical spells, sick headaches and a bad pain under my shoulder-blade. I was under the care of different doctors but did not improve. I was so weak I could hardly stand long enough to my dishes."  
"Lydia E. Pinkham's Vegetable Compound has made me well and happy and I have begun to gain in weight and my face looks healthy now."—Mrs. J. W. HONNIGMAN, R. No. 4, Ephrata, Pa.

## The Number of M. P.'s.

When the present redistribution has been set, the number of constituencies in Canada will have been increased from 221 to 232. When the Dominion House first met its full membership was 81 of which number Ontario returned 32 members, Quebec 65, Nova Scotia 19, and New Brunswick 15. During the fourth session of the first parliament, 1879, Manitoba and British Columbia, the two new Provinces added to the original four, being given 4 and 6 members respectively. The first redistribution of Dominion constituencies was in 1872, and in the Dominion General Elections held the same year there were, as marked out by that redistribution, 200 constituencies. When Prince Edward Island came into the Dominion in 1873, the number increased to 206. There is no need to go into detail as to subsequent changes. The fact that, largely owing to the opening up of the West, the members of Parliament have increased 51 beyond the original number, suggests that in the not distant future, both parties should get together with a view to arriving at a solution which would provide a safe guard against the membership of the House becoming too large. The West up to the present, has really only just begun to develop. If it goes on as it is going, it will soon cause the Parliament Buildings to overflow.

## The Reason Fewer People Take 'Salts.'

We find the use of salts and other harsh physics is becoming less every year because more and more people are using Rexall's Oxydies, which we and they firmly believe to be the best bowel remedy ever made. We know what they are made of and the pleasant, beneficial results that always follow their use. You needn't take our word for it. If Rexall's Oxydies don't help you—if you don't entirely relieve all your bowel troubles—come back and tell us and we'll give back your money. In vest pocket tin boxes; 10c, 25c, 50c. ## This Stomach Remedy Remarkably Successful.

You know us—your home druggist. You know we wouldn't guarantee any remedy to relieve indigestion or dyspepsia, or money back, unless we felt the utmost confidence in that remedy. Therefore, when we offer you Rexall's Dyspepsia Tablets with this proof of our faith in them, it leaves you no room for hesitation or doubt. The remarkable success of Rexall's Dyspepsia Tablets is due to the fact that they contain, among other things, Bismuth and Pepsin, ingredients endorsed by the medical profession as invaluable in the treatment of stomach ills. They soothe the inflamed stomach, check heartburn and diarrhea, stimulate the secretion of gastric juice, aid in rapid and comfortable digestion of the food and help to quickly convert it into rich, red blood. In a short time they tend to restore the stomach to a naturally comfortable, easy acting, healthy state. They also benefit the bowels.

Rexall's Dyspepsia Tablets are sold only at the more than 7,000 Rexall Stores, and in this town only by us. Three sizes, 25c, 50c, and \$1.00. A. V. Rand.

## The economical decoration of your home is largely a matter of knowing the right finishes to use.

For the exterior of your home there is no better paint than Sherwin-Williams Paint (Prepared) SHY. It is made of the purest of materials, combined in correct scientific proportions with the aid of special machinery. The result is a far spreading, long wearing paint in liquid form, all ready to apply.

For floors, the easiest finish to apply is S-W Inside Floor Paint, and the gives particularly good results even on old worn or discolored floors. On a good hardwood floor the best finish is S-W Mar-nat, a hard-drying waterproof floor varnish.

For the walls of your home, white water paints, such as S-W Decolite, give pleasing effects, they have not the durability which means true economy, Sherwin-Williams Flat-tone is unquestionably the best paint for walls. It is an oil paint that dries with a soft, flat, velvety finish. It is very durable and can be washed with soap and water. S-W Flat-tone comes in twenty-four beautiful colors, the selection of expert decorators.

For the varnishing of interior work such as wainscoting, doors, furniture, etc., we recommend S-W Excelite Varnish, or S-W Royal, an old fashioned, general purpose varnish, which can be used inside and outside and is just the thing for painted wood-work in kitchens, bathrooms, or for front doors, porch ceilings, etc. For floors use S-W Mar-nat, a special waterproof floor varnish, will not turn white when water is spilled on it, nor does it show scratches and bed marks readily.

We can take care of your every paint and varnish need. Drop in and discuss your paint and varnish problems with us.
