New York, Sept. 23.—On a dead track and amid the rousing cheers of 20,000 persons, James R. The Marylebones' Hard Game at Philadelphia.

Toronto, Sept. 23.—The Ontario Jockey | Swift was knocked down to R. F. Car Club's fall meeting wound up Saturday afternoon in a blaze of glory. The weather was cool and fine, the track fast, and the attendance large. Form players were roughly used, as not a single favorite earned brackets. Second choices, however, scored in four races -Stanley Fay at 6 to 1, Dredger at 12 to 1, and Ida Reck at 10 to 1, were the winners of the first, second and seventh races.

enth races.

The long-distance race, the Ontario Jockey Club Cup Handicap, at 21-4 miles, was the feature, with six starters. It proved a tame contest, however, as the Valley Farm Stable's candidates, Kelpie and Glimmer, second choice in the betting at 3 to 1, finished in first and second places, with Main Chance, at 5 to 2, third. Factotum, after leading his field on sufferance for a mile and and second piaces, with Main Chance, at 5 to 2, third. Factotum, after leading his field on sufferance for a mile and a half, went back quickly to last place. Main Chance then took up the running, but in the last half Kelpie and Glimmer casily passed the Seagram horse, Kelpie winning by nearly a length from Gdminer, who was two lengths in front of Main Chance. Dele Strome was fourth, with Edwin Gum, the 2 to 1 choice, fifth, and Factotum last, pulling up very lame. Edwin Gum was at no time a contender. With an even break, Chippewa, the 2 to 1 favorite, would have won the third race, at one mile and 70 yards, but he got off last, and was cut off at the first turn. He finished in fourth place, a neck behind Cloten. Henry O., at 4 to 1, won in a drive by a haif length from Rebounder, at 20 to 1, the latter the same distance in front of Cloten. there will be lots of football. We will call a meeting of the Quebec Rugby Union, and if Westmount wants to reconsider its resignation, they can come on horses here than there were for the spring meeting. There are enough jumpers in the lot to guarantee a steeple-chase every day of the meeting, and the racing through the field should be as good. There is a scarcity of steeple-chase jockeys, however, due to accidents at Toronto and the ruling off of a bunch at Fort Erie in midsummer.

The games will start at 3 o'clock each day, and there will be no ceremony on opening day (Wednesday), exxeept a little presentation on behalf of the Toronto Club to the members of the local team, who will each be presented with a handsom watch fob. The games will be played on Wednesday, Thursday and Saturday, Friday being an off day; upon which the visitors will be guests of the Toronto C

in again as far as I am concerned. I was rather astonished they acted so hastily. If they do not want to come in they can stay out, and if they want to form another union, they can do so. In that case, there will be two unions in this part of the land. Our men are in good shape, and we will have a team that can play with the best of them. We did not ask for this new union, neither did our men ask for reinstatement by the C. A. A. U. Hamilton, or rather Ballard, simply asked to be permitted to try and arrange things so that the Argonauts, some of whose heads are died-in-the-wool C. A. A. U. men, would play with us."

If things are arranged satisfactorily, the union will carry out its schedule. Jimmy Craig, Montreal; W. H. Seymour, Hamilton, and W. A. Hewitt. Argonauts, were the inter-provincial rep-

TWO JUNIOR LEAGUES.

Two Junior Football Leagues, with weight limit of 125 pounds, have been organized for this season—the East End League, represented by the Granites, Keystones and St. Patricks, and the West End League, composed of the Victorias, Dominions, Orientals and Erskine. The west enders will play fibrir games at Victoria Park, beginning Saturday next, and the East End League will play at the East End Incline. Feams must weigh in their players at Skerrett's before Friday evening next. It is expected that a North End League, at the same weights, will be formed, and, if so, championship games will be played by the leading clubs at the end of the season, to decide their superiority. The schedules adopted are as follows:

TIGERS' TEAM OUT.

Between 40 and 50 members of the Hamilton Rugby Football Club were in uniform at the Cricket Grounds on Saturday afternoon, and the Tigers had a good practice, under the direction of Walter Marriott. It is expected that George Ballard will return to the city on Friday or Saturday, and will then jump into the game.

President Seymour, of the Hamiltons, still has hopes that the "Big Four" League will be organized for this season. TIGERS' TEAM OUT.

THE LAST GAME. Britannia Ball Team Defeated By

The League Will Probably Decide to Give the Intermediate League Leaders a Game or Two Next Saturday- -Results in the Big Leagues.

Saints In City League Series.

After pitching faultless ball for the entire season Willie Simpson, of the Britannia team, had a day off on Saturday. Outside of the fact that the champions seemed to be afraid of Pitcher Willie Smith, of the Saints, Simpson was entirely to blame for the loss of the game. He was hit hard, lacked the stendiness which usually characterizes his play, and had a bunch of fielding errors—the first he has had this whole season. The Saints batted out a popular victory. Smith was in fine form. Had he been in the box earlier in the season, instead of wasting his ability at first base, the Britannias would not have carried off the championships of both series without a bitter struggle. As it is, the Brits can hardly be beaten out. They won the first series by beating the Saints in playing off a tie, and now have a clear lead of one game in the second series, and only one game, and that with Dundas, to play. The utter impossibility of Dundas beating the Brits is apparent, and it is probable that the League Executive at its meeting to-morrow night, will decide to close the season on the present standing and accept the challenge of the Intermediate League to play at Britannia Park next Saturday. The standing in the second series is:

 A VERY NICE GAME.

Had Dundas played the sort of ball in the early part of the season that the team played on Saturday there would have been a different tale to tell of league standing and financial successs. The suburbanites sadly missed their chance when they were content with the sloppy ball of the early part of the season. Their last few games have been good. On Saturday Holley pitched a great game, and the whole team support.

good. On Saturday Holley pitched a great game, and the whole team supported him well, after Carson had allowed Hotrum's ground hit to slip through his hands and reach the fence, giving the first man up in the first inning of the Westinghouse a run. The score stood at 1—0 for five innings, both teams playing sharp, fast ball. In the sixth Benton opened with a hit and stole second. Carson sacrificed and Emory bunted, reaching first on an unsuccessful attempt to catch Benton at the plate. That tied the score. In the seventh Job and Conley, the first two up, made hits, and Job stole third. Weaver bunted, but Job was cut off at the plate. The next two men were retired. For Westinghouse Cardow got a charity and stole. The next two men went out to Carson and then two men went out to Carson and then Muir won his own game with a two-base hit. Score:

FATTENED THEIR BATTING.

Southon, Lanning and Howe fattened up their batting averages off Simpson in the second game. They got nine hits among them, and the other six men on the team secured three. One of Southour's hits, and the run which it resulted in were a present from the umpire. The small crowd present rather enjoyed the way the hard-hitting Saints went at the Britannia pitcher. Southon opened the game with a hit. He came up first again in the third inning and made a single. Lanning bunted and clearly beat the ball to first. Howe lined out a safe one and Brennen another. With one run in, the bases full and no hands out, W. Smith hit to Wark, who, with Coutts and Hackbush, worked a double, but allowed Lanning to score, giving the Saints two. A hit by Stephens, a passed ball and a wild throw by Simpson gave the Saints another in the fourth and a hit by Lanning. on which Bradley tried to throw the runner out at first and threw to the fence, followed by a single by Howe, scored a run in the fifth. The Saints' last was in the seventh, when Southon was given safe on first, got second on Simpson's bad throw, and scored on an error by Coutts and a hit by Jennings.
