Mrs. Hannam and Miss Sutton Among Winners.

Miss Moyes, Toronto, Beat Miss Steever.

Veysey, of Jontreal, Beat Bissell, of Buffalo, in Men's Handicap.

Queen's Royal Hotel, Niagara-on-the-Lake, Aug. 25.—Thirty-six games were played yesterday in the International ennis tournament. All si xcourts of the Queen's Royal Hotel were constantly in use from the time set for the first game this morning until darkness compelled the players to stop. Two games were unfinished last night.

With so many crack players entered, the interest in the more important games in the different competitions was keen, and they were watched by a big gal-

Most interest naturally centered in the games in which Miss Sutton and Mrs. Hannam took part. A victory for both was generally expected, and both ladies won their games with ease.

Miss Sutton defeated Miss Summerhayes by 6-0 and 6-0, but the world's champion had frequently to use all her skill against her plucky young opponent. Her skill was greatly admired.

Mrs. Hannam scored a victory over Miss Beard, Cleveland's best player, by 6-2 and 6-0. In the second set Mrs. Hannam only allowed her opponent one point in the whole six games, five being love games. Mrs. Hannam was always aggressive and her placing superb.

The game between Miss Moyes, of Toronto, and Miss Steever, of Chicago, was an exciting and gruelling contest, lasting over two hours. Miss Steever took the first set by 6-4, but Miss Moyer won the second by 11-9, and the third by 6-4. Miss Steever had only two points to make to win the second set and match. There were many rallies, which aroused the spectators to the highest pitch of excitement. Both players excelled in overhead play, and their smashing was very effective. The lobbing of both was very good A short lob meant invariably a loss.

The final, in which it is expected Miss Sutton and Mrs. Hannam will be the competitors, will be played on Saturday afternoon.

The railways reported receipts of 80 carloads at the city yards, consisting of 1,411 cattle, 686 hogs, 1,350 sheep and lambs, 305 calves and 2 horses.

There was not any improvement, but just about the same quality of cattle as has been coming, a few lots and loads of fairly good to choice, and many more of the common to medium.

As usual the best cattle sold readily at last week's quotations, if not a little higher, but the common and inferior were from 15 to 20c per cwt, lower, with some cattle unsold.
