PURITY FLOUR

"MORE BREAD AND BETTER BREAD"

TAROL

IS PREPARED BY COMPETENT CHEMISTS

TAROL is not a new remedy, for years previous to 1885 date on which it was placed on the market, Dr. Ed. Morin prescribed it regularly to his patients. When he gave up his medical practice in order to establish the wholesale drug house which bears his name, TAROL was the first preparation he placed on the market. Today it is in the same laboratory that TAROL is manufactured, from the identical formula, by experienced chemists and always with the purest and best ingredients procurable. This is why TAROL cures today as it did thirty years ago.

Coughs, Colds, Bronchitis, Grippe and even TUBERCULOSIS in early stages.
If you cough, if you have a cold which will not cure, if you are subject to Bronchitis, if your chest is weak, use "TAROL", it is the specific.

Pale and Weak women and young girls should use Dr. Ed. Morin's Cardinal Pills.

NEW BRUNSWICK'S NEED OF A SOUND FORESTRY POLICY

The Crown Lands of the Province of New Brunswick consist of 74 million acres of which 6 1/2 million are under license. The revenues from these Crown Lands pay most of the costs of public administration. The value of the lumber industry is second only to agriculture. It is worth about fifteen million dollars a year.

In common with other parts of Eastern Canada the quality of New Brunswick forests has been steadily deteriorating. In 1825, 400,000 tons of squared white pine was the export crop of a single season. White pine is almost an extinct commercial species.

A few years ago, hemlock was valued only for its bark. Today it is very scarce at \$12.00 to \$14.00 per thousand feet for the round log. The Government's minimum measurements for the spruce log have been lowered, for the reason that the spruce stands were no longer equal to higher specification.

The devastation of the forest areas by fire has reduced the stock of wood supplies much faster than have lumbering operations.

Thousands of acres of timber land, where the soil could not possibly produce fire, have been taken up under pretense of settlement. The clearing fires of the temporary "farmers" have spread into surrounding timber, taking a vast toll of badly needed forest material. What the so-called "farmer" gained from clearing such land was but a fraction of what the province lost through his fires. More over, the toleration of settlement on lands unfit for agriculture is preposterous from every point of view. The land is deprived of its only crop; the surrounding timber is frequently ruined; the human crop is demoralized by its shiftless "purpose" and inevitable poverty.

By inaugurating the Forest Survey and Land Classification, now in progress and soon to be completed, New Brunswick put an effectual stop to the waste of land, timber and human energy. By making a careful inventory of the location of timber lands, the stock upon them, the good agricultural soil in and near the timber areas, the province will possess a business like foundation from which settlement can be expanded, and new industries introduced to utilize tree species now held valueless. The survey is the first step in making every acre of land contribute maximum revenues to the people of the province. It has the same value to Crown Lands administration as a set of blue prints in the erection of a mammoth bridge.

CANADA HAS LARGE TRADE BALANCE

The financial year closed Saturday for Canada. It is stated that the revenue will be about \$130,000,000. This is \$100,000,000 in excess of the federal revenue two years ago. The aggregate trade will exceed two billion which is about double what it was two years ago. The trade balance in favor of Canada will be about \$250,000,000.

HIS HEART BADLY AFFECTED

"Fruit-a-lives" Soon Relieved This Dangerous Condition

632 GERRARD ST. EAST, TORONTO.
"For two years, I was a victim of Acute Indigestion and Gas in The Stomach. It afterwards attacked my Heart and I had pains all over my body, so that I could hardly move around. I tried all kinds of Medicines but none of them did me any good. At last, I decided to try "Fruit-a-lives". I bought the first box last June, and now I am well, after using only three boxes. I recommend "Fruit-a-lives" to anyone suffering from Indigestion."
FRED J. CAVEEN.
50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

UPPER BLACKVILLE

Upper Blackville, March 31.—Spring is making its appearance once again and the dear little birds are singing in the trees.

Mrs. M. Bergin who was sick is now convalescing.

Mr. Chas. B. Campbell of Blackville was a visitor in this village Thursday last.

Master Harold Dunphy spent the weekend with his grandparents, Mr. and Mrs. Chas. Morehouse.

Another of our brave boys, Wilbur Arbeau, has donned the kilt.

Mrs. Margaret Arbeau is visiting her daughter, Mrs. William Urquhart at present.

Messrs. John and Harry Davidson spent Monday in Newcastle.

Mr. Edgar G. Arbeau is on the sick list at present. We look forward for his speedy recovery.

Mr. Nelson Arbeau passed through this place with his prancing grey, en route for Beaver Brook camp.

Mrs. P. Moran and son Lawrence, spent Friday with her sister, Mrs. John Bowes of Blissfield.

Blue and White Club

The Blue and White Club met in the Orange Hall on Wednesday evening. Owing to the roads being in such a condition there were a few of the members absent, and the evening would have been very dull only for three gentlemen of Blackville assisting by singing, which was highly appreciated by all. The gentlemen were Messrs. Thomas Connors, Thomas Ross and Chas. B. Sutherland. The members wish them back again.

Miss Helen Campbell was calling on Misses Bergin recently.

Fudge parties are not as plentiful as they were sometime ago.

Miss Jennie Arbeau was calling on Mrs. Wm. Urquhart one day last week.

Mrs. Cuthbert Donald left for St. John Saturday to meet her husband. Major C. Donald, who is returning home from France.

Messrs. Eugene Connors and William Bargin attended the funeral of the late John McCormack of Blackville Thursday last.

Our mail carrier, Frederick Arbeau is around once again, after having been ill for the past week. Freddie is the right man in the right place as he always gives our mail with a cheery call.

Mr. Walter Mereson made a short trip to Blackville Monday last. Mr. Hayward Jardine of Renous, was in the village on Monday. France is a Good Place for Fighters. On Monday night a number of young men being intoxicated raised a disturbance in a public place by quarrelling and using profane language. We would like to see these young men show their fighting in Flanders and not in this village.

Messrs. Elmer and Nath Arbeau were visitors in this place Monday last.

Mr. Robert Layton of Forks, was visiting Mr. P. Moran.

Mr. Gordon Cashen who spent the past winter at the Tungsten Mines has returned home.

Mrs. Chester Connors was a visitor at Mrs. Chas. Morehouse's Friday.

A number of gentlemen and ladies enjoyed a drive to Beaver Brook Camp one day last week.

Miss Sarah Ann Arbeau left for Renous where she will spend the spring with Mrs. Thos. Jardine.

Messrs. Thos. and Douglas Connors were the guests of Mrs. P. N. Arbeau Sunday last.

Mr. Vincent Burke and sister Irene called on their uncle Alex. S. Arbeau one day last week.

Mr. Alexander Connors had the fortune to lose one of his prize hens. Mr. David Whalen spent the week end with Mr. Elwood Peterson.

Mat hooking is the order of the day.

"CHARLEY'S AUNT"
HOW MANY PLAYS THAT the public cares for now a days did your grandparents and parents laugh and weep over when they attended the theatre in their earlier years? Barring the Shakespearean horde and probably Shakspeare's "School for Scandal," there were few plays that the public of a quarter century ago could pass on to a new generation with the assurance that the younger generation would accept them. One of the few is "Charley's Aunt," which comes to the Opera House, Newcastle on Saturday, April 7th.

This play is thirty years old but its comedy, tabling and effectiveness at all times is just as infectious as in the days when our parents and grand parents attended the theatre. This play by Brandon Thomas may be compared to music—its language is universal, and wherever good music and intelligent auditors are to be found "Charley's Aunt" will be given a respectful, a hilarious hearing.

Seat plan on sale at Dickison & Troy's Drug Store.

WHEN THE ICE RAN EARLY In 1902 the ice on the Miramichi ran out on March 27th, and on March 29th the steamer Nelson which then plied between Chatham and Newcastle, started on the first of the season's trips.

Seattle has won the World's Hockey Championship from the Canadians of Montreal.

Spring Impurities In the Blood
A Tonic Medicine is a Necessity at This Season

Dr. Williams' Pink Pills for Pale People are an all year round tonic, blood builder and nerve restorer. But they are especially valuable in the spring when the system is loaded with impurities as a result of the indoor life of the winter months. There is no other season when the blood is so much in need of purifying and enriching, and every dose of these pills helps to make new, rich, red blood. In the spring one feels weak and tired—Dr. Williams' Pink Pills give strength. In the spring the appetite is often poor—Dr. Williams' Pink Pills develop the appetite, tone the stomach and aid weak digestion. It is in the spring that poisons in the blood find an outlet in disfiguring pimples, eruptions and boils—Dr. Williams' Pink Pills speedily clear the trouble in the blood. In the spring anaemia, rheumatism, indigestion, neuralgia, erysipelas and many other troubles are most persistent because of poor, weak blood and it is at this time when all nature takes on new life that the blood most seriously needs attention. Some people dose themselves with purgatives at this season, but these only further weaken themselves. A purgative merely gallops through the system, emptying the bowels, but it does not cure anything. On the other hand Dr. Williams' Pink Pills actually bring new blood which reaches every nerve and organ in the body, bringing new strength, new health and vigor to weak, easily tired men, women and children. Try Dr. Williams' Pink Pills this spring—they will not disappoint you.

Sold by all medicine dealers or sent by mail at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont. (adv.)
