## WILL OPPOSE THE LEAGUE OF NATIONS

Irish People Say Article 10 Would Make America Help Subjugate Ireland.

New York, March 24.—The adoption of article ten of the proposed constitution of the league of nations would compel the United States to aid Great Britain in holding Ireland in subjugation and its ramifications would be the most shameful betrayal of a people in history, said a resolution adopted today at a mass meeting of the Friends of Irish Freedom, which called upon President Wilson to insist upon the freedom of Ireland before approving this article.

If Ireland does not gain its liberty before the adoption of the league of nations, article ten which guarantees the territorial integrity of the signatory powers, forever, would make Irish freedom impossible.

"Irish blood so freely poured out for America in this war," continues the resolution, "will have been shed to preserve the British Empire and rivet the chains of Ireland."

## MANY CASES OF RHEUMATISM NOW

Says We Must Keep Feet Dry, Avoid Exposure and Eat Less Meat

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinges of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and issued with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

AN IMPORTANT OFFICIAL

In an article relating to health and sanitary matters in cities and towns The Municipal Journal thus refers to the officials known as Public Health Officers:

"We wonder sometimes how many public health officers earn their salary. While some men are doing excellent work, the average health officer does not seem to realize what his duties really are, or if he does he neglects them. The fact of the matter is that in many respects the Public Health Officer is the most important man in the municipality, and should be the most useful. Public health is the keynote to the welfare of the community, and requires the vigilance of the keenest medical minds to keep up the standard, but when the test came in the visitation of the awful scourge of the 'flu' the health departments, with a few splendid exceptions, of municipal Canada fell down. And so we ask again, 'What do we pay our medical health officers for?' Surely for something more than writing out reports."

The St. Catharines Journal has, too, pointed out the shortcomings of medical health authorities in times of epidemic. It was to get more efficiency that it advocated a change here a few weeks ago.

ADMIRAL SIMS RETURNS

## GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

Save your hair! Double its beauty in a few moments—try this!

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Dandruffine.

Just one application doubles the dandruff; you cannot have nice, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a small bottle of Knowlton's Dandruffine at any drug store or toilet counter for a few cents; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Dandruffine. It eventually—why not now?

## A WORD FOR THE HUN

Beyond totally disarming Germany and keeping her that way, making her resolute, repair, rehabilitate and cough until she is hanging over the ropes, to say nothing of tramping her in a disciplinary strait jacket for two generations, we believe the allies should be conciliatory and generous with Germany. — Houston Post.

## WOULD MAKE DANZIG A FREE PORT OF ENTRY

## Wright's Home-Made Bread

Now that the restrictions are off regarding the use of substitutes, our Bread is back to the high Standard we set previous to the war. Our genuine Home-made Bread is scarcely touched by hand having in our equipment the most sanitary system of handling it. This machine costs a lot of money, but we believe it is hygienic and more sanitary than by hand. Therefore it pays in these days when germs are so easily spread, the handling of food stuffs should be carefully done. We believe the public will appreciate our system of doing this.
