TABLE showing the number of Monthly payments, of 10s. each, that must be made to liquidate the Shares of £100, the money being invested monthly to give compound interest at the rate of 4 per cent. per month.

By which it will be seen that, should the average bonus be 25 per cent., the Society will expire in seven years and four months, or eighty-eight monthly payments. Now the present value of eighty-eight monthly payments, of £1 each, is £71 1s., so that the borrower, in that case, would in reality only pay £6 1s. bonus, instead of £25, on his loan of £65; but it is certain that there will be a considerable proportion of the subscribers who will not give a bonus for their Shares, the probability is that the average bonus will not exceed 25 per cent., which will then require 103 monthly payments, the present value of which, at £1 each, as before, is £80 11s., equivalent to a bonus of near 25 per cent. Or, in other words, the person who at the commencement of the Society, borrows £65, supposing it to require 103 monthly payments, pays for this loan at the rate of 10 per cent per annum, because the present value of 103 monthly payments of £1 each, interest at 10 per cent, is £65. Whilst the member of the Society, who is non-borrower, receives at the expiration of 103 months, the sum of £100, which is equal to 15 per cent per annum on his monthly payments of 10s each.

THE MONTREAL TRANSCRIPT AND COMMERCIAL ADVERTISER.

Published every Tuesday, Thursday and Saturday, at the Low Price of TWELVE SHILLINGS per annum, payable in advance.

The Transcript is printed on a sheet nearly as large as any used in the Province, and should circumstances permit, it will be still further enlarged in the course of the ensuing summer.

During the approaching Session of Parliament, the Transcript will contain Reports of the Proceedings, sufficiently comprehensive to furnish a record of all that occurs in both Legislative Bodies.

As a Family Newspaper, the Transcript will support its old character. A portion of its space will be devoted to the insertion of miscellaneous matter of an interesting and literary character, and every thing offensive to morals will be carefully avoided.

We have commenced, and intend to continue, a series of Biographical Sketches from Chamber's Miscellany of Useful and Entertaining Tracts and other Works; and during the present season, notice will be taken of the Lectures delivered at the several Literary Institutions of the city, which we commenced last winter, and which gave general satisfaction.

TERMS OF THE TRANSCRIPT BY MAIL.

The price of Subscription of the MONTREAL TRANSCRIPT, (when sent by mail) is TWELVE SHILLINGS per annum, payable in advance. To facilitate remittances FIFTEEN SHILLINGS will pay for Fifteen Months. TEN SHILLINGS for Ten Months, and FIVE SHILLINGS for Five Months. When the period of subscription is nearly expired, we shall send three different copies of the Transcript enclosed in blue or green covers; and if no remittance is made, the Paper shall be discontinued by discretion. As the paper is given to subscribers at the lowest possible price, all money letters must be post paid; and those which are not, the amount of postage will be deducted from the money sent.

The Transcript is sent to Subscribers in the country twice or three times a week, at their option. The whole of the reading matter of Thursday and Saturday's papers is sent up into one sheet—thus saving the Subscribers one-third postage, the price of subscription to the both is the same. Subscribers, in writing their orders, will please mention whether they wish the tri-weekly or semi-weekly paper sent to them.

Newspapers with whom we exchange will please specify the name of the paper, and we will be happy to reciprocate in the same way.
