THEY KNOW WHICH IS BEST.

A little while ago we drew your attention to a clipping, showing that out of 13 Motor Cars in a Garage at Harrogate, 10 Cars were using

MICHELIN TYRES.

Would you infer from this that the owners of these ten cars are fools, or in other words that 77 per cent. of these motorists are devoid of sense while the other 23 per cent. are full of reason?

Of course you would not—such a verdict would be absurd.

It simply means that 77 per cent. know MICHELINS are the BEST TYRES. The others will soon get to know.
