Examines the eyes without DRUGS, DROPS or DANGER. He not only finds the trouble, but with his perfect optical machinery he can grind the correct lenses to suit the most complicated cases, and do it quickly.

There was a time when all compound lenses had to be sent out of the country for, involving a delay of three or four weeks, but that day has passed; an hour or two is sufficient to produce any lens that may be called for.

Where Responsibility Lies.

No matter how large, or how small, a business may be, nobody can deny that its Office is the nerve centre of the firm. Every transaction, important or trivial, must be recorded at the Office. An order is received at the Office, its history is recorded at the Office, and finally payment is received at the Office. If the Office makes an error the firm stands the loss. That's why you must be sure that your office is modern and dependably equipped for the care of all important papers. To do this effectively you need the up-to-date equipment of the "GLOBE-VERNICKE CO." When sixty offices in St. John's have found this necessity this equipment can surely be of use to you. Mr. Percie Johnson represents this world known firm in Newfoundland. —apl7,14

Destructive Fire at Bell Island.

The house and store owned by Mr. Abraham Carbage, at Bell Island, was totally destroyed by fire at an early hour yesterday morning.

About 1:40 a.m. Mr. Carbage was awakened by the crackling of burning wood, and only had time to arouse the inmates of the house before the building was all aflame, the occupants escaping in their night attire. The volunteer fire brigade responded, and though they rendered good service, the fire had gained headway rapidly and was quickly beyond control. The men's efforts were then directed to saving the adjacent houses.

All the stock in the store as well as the furniture of the dwelling was totally destroyed.

We learn that the building and stock are partially covered by insurance.

NO IMPROVEMENT.

The S. S. M'Gill reached Humbermouth yesterday from the Straits and Capt. Google sent the following report to the Reid Co.:

"Foggy weather since leaving; made every port of call in the Straits; no improvement in codfishery."

The Dominion Company have curtailed their staff considerably and have only No. 2 slope and the steam shovel working.

Prescription 'A.'

CURES:

INDIGESTION and
DYSPEPSIA
in all its forms.

It is quite a daily occurrence to hear persons say: "Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness and headaches. I feel too tired to do anything. I have no heart to exert myself, at times I care for nothing."

"I often have a pain in the pit of the stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a feeling of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems not worth living."

Why suffer from all these symptoms when STAFFORD'S PRESCRIPTION "A" will cure you?

Price: Small size, 25 cents; postage 5 cents extra. Large size, 50 cents; postage 10 cents extra.
