## The Untiring Energy

of the Wolf is proverbial. Practically no energy is required where SUNLIGHT SOAP is employed. SUNLIGHT SOAP is energy itself. The Wolf is the enemy of mankind;

## Sunlight

is the enemy of all dirt. It is the friend of the housewife, and is made for her profit. To the housewife it means less labour, less dirt, more leisure, and time and money saved. SUNLIGHT SOAP

does away with needless rubbing and scrubbing, and so preserves the clothes.

His Eminence assured them that the hearts and prayers of their fellow countrymen, and especially of those who share their religious faith would go with them; that they would not be forgotten in life or in death. He concluded by earnestly invoking upon them the blessing of God now and hereafter. The solemn Votive Mass in time of War" was celebrated by Mgr. Jackman at 12 o'clock, in the
