

**DEMOCRAT'S MONTHLY.**—The December number of Democrat's Monthly comes to us greatly enlarged, and is really a superb magazine, full of entertaining literature and profusely illustrated. The December number has a full page portrait of Pauline Lucas, a large display of fashions and numerous other valuable features—altogether a model magazine. The publishers are offering a pair of companion chromos, Falls of Niagara and Yosemite Falls, worth of themselves \$10, to each yearly subscriber. This is one of the marvels of liberality in the publishing line. Address, W. Jennings Demorest, 838 Broadway, New York. For sale at the bookstores in town.

**IMMIGRATION SHEDS AT LONDON.**—The London Advertiser says:—It is informed that the Dominion Government have purchased the eastern gore formed by the intersection of Great Western and Grand Trunk Railways in the Township of London, a few miles east of this city, whereon they intend erecting suitable buildings for the reception and shelter of immigrants sent to this section of the country. Arrangements have been entered into with the two railways to shunt all cars containing immigrants upon a siding which will be constructed at a convenient distance from the sheds, and it is quite probable the work of building will be got under way at once to meet the spring influx of immigrants.

**Vick's Floral Guide.**—We have received from Mr. James Vick, Rochester, N. Y., his "Floral Guide" for 1873. This Guide is now published quarterly at 25 cents a year, and is one of the handsomest and daintiest flower catalogues ever issued. It is most beautifully got up, and contains much interesting reading matter, besides descriptions and plates of most of the rare and beautiful flowers grown on this continent. Plates are also given of rural homes, lawn gardens, and much valuable information to the florist and horticulturist. See advertisement in another column.

Dumas was asked one day at a dinner how much time he would require to write a novel of 400 pages. He replied, "Seventy-two hours." A wager was offered that at the end of seventy-two hours he would not have completed a novel. Dumas called for pen and paper, 400 pages were numbered for him, and he began at the dinner table. Before the time had expired he had completed one of the best of his stories, "The Chevalier of Maison Rouge."

**BRACEFAST—Epps's Cocoa—Gratefully Commended.**—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. *Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

Hashish, opium, alcohol, and tobacco are popular poisons which appear to concentrate their action upon the brain, and are powerful causes of nervous disorders in the perversion of the blood. An individual habituated in the use of any of these, is a machine set in destructive motion, which, if not already too much destroyed, may be repaired under the potent influence of Fellow's Compound Syrup of Hypophosphites, since the disturbances disappear as the condition of the blood improves.

Thousands have been changed by the use of Peruvian Syrup (a protoxide of Iron) from weak, sickly, suffering creatures to strong, healthy, and happy men and women, and invalids cannot reasonably hesitate to give it a trial. For Dyspepsia and Debility it is a specific.
