

**TECUMSEHS VS. MAPLE LEAF.**—Yesterday afternoon the match game which was to have been played between these clubs was spoiled by the rain coming on, after the first inning of the Maple Leaf, who retired with a score of 6 runs. The captain of the Tecumsehs declined to re-enter the match after the storm, on account of the condition of the ground, and an exhibition game was arranged which resulted as follows:—Tecumsehs, 5 innings, 2 runs, Maple Leaf, 4 innings, 17 runs. Mr. D. O'Leary of the Dauntless Club, Toronto, acted as Umpire.

The Mutuals of Ottawa and the Unions of Montreal played an exciting game on Wednesday afternoon on the grounds of the Lacrosse Club. The score resulted in favor of the Ottawa nine—30 to 20.

An illustration of the admirable organization of the English postoffice, a correspondent writes to the London Times, saying that with a view to test the powers of the postoffice clerks he wrote a post card to a friend, and wrote both the contents and address in shorthand. Within three hours of posting, the gentleman to whom it was addressed received the card, the address having been translated in red ink.

**MANUFACTURE OF COCOA.**—“We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London.”—See article in *Cassell's Household Guide*.

**BLACKWOOD.**—The June number of *Blackwood's Magazine*, which completes Volume CXV, is filled with interesting matter, and is a proof that this periodical like wine, improves with age. The serials, “Alice Lorraine” and “Valentine and his Brother,” are continued. In “The Poets at Play” we find many verses which were not written for publication, but dropped naturally into the private communications of such writers as Scott, Cowper, Lamb, Swift, and many others. “The Romance of the Japanese Revolution” gives a very interesting account of the changes that have taken place since the opening of the Chinese ports. “Sex in Mind and Education” discusses a matter of great interest to Americans, namely, the “identical education of boys and girls.” “New Books” is a review, with copious extracts, of Victor Hugo's “Ninety-three.” The usual political article, describing the reception of the Conservative Budget and Parliamentary doings since Easter, brings us to the end of the number, and leaves us, like Oliver Twist, asking for “more.”

**BLESSINGS BROUGHT AS THEY TAKE THEIR FLYING.**—If you have a good head of hair take care of it; once gone and we realize its loss far more than we appreciate its presence. The Bearing is taking the place of all other hair dressings, because it is healthful to the hair and delightful to use.

**DR. WHEELER'S ELIXIR OF PHOSPHATES** and Calisaya—After having used your Compound Elixir of Phosphates and Calisaya for over two years in my daily practice, I must give it my unqualified approbation. During a practice of over twenty years, I have used many scientifically prepared compounds, made to fulfil the same therapeutical indications as your Elixir, but none of them proved with me as valuable as yours. To the medical profession and the public, I would especially recommend it as the best remedy with which I am acquainted for the successful treatment of the large and constantly increasing class of cases of over-worked and nerve-exhausted women. Yours truly,  
N. WATKINS BELL, M.D.

Specific Medicine

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over-indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spasmodic, Impotency, and all diseases that follow as a consequence of Self Abuse, or Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other Diseases that lead to insanity or consumption, and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over-indulgence.  
The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.  
The Specific Medicine is sold by all Druggists at 25¢ per package, or six packages for \$5, or will be sent by mail on receipt of the money, by authority.
