Woods' Fair Woods' Fair**CANADIAN TIMBER**

Large Output of Pine Logs Probable This Winter.

Toronto, Jan. 15.—The crown lands department has received from the timber inspectors estimates of the output of pine logs this winter. They anticipate that the cut will be sufficient to yield 800,000,000 feet of lumber, board measure. This will be the greatest cut in recent years. Last winter, which was a very prosperous one, resulted in a cut of 621,000,000 feet, although it was expected that it would be 700,000,000. The falling off was due to the smallness of the cut. The big increase this year is 100,000,000 feet in Sault and Webbwood districts. Parry Sound still leads with a total of 168,000,000 feet, the Webbwood district is second with 139,000,000 and Pembroke third with 112,000,000.

JOHN S. MORGAN'S CASE

A Nova Scotia Man Who Delights to Tell What Dodd's Kidney Pills Have Done for Him.

Bridgewater, N. S., January 13.—No man could be more enthusiastic in his recommendation of anything than John S. Morgan, of this place, in his endorsement of Dodd's Kidney Pills as a remedy for Lame Back. For eight years Mr. Morgan was tormented with Lame Back and Kidney Trouble. He tried different medicines without receiving any benefit till at last he commenced to use Dodd's Kidney Pills. He soon began to improve and the improvement continued as the treatment proceeded. He used in all twenty boxes and gained in that time 12 pounds in weight. He is well and strong and attributes his remarkable recovery to Dodd's Kidney Pills and nothing else.

Rock salt is mined and prepared for use in the States of New York, Kansas, Louisiana and California. Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Vapo-Cresolene tablets, ten cents per box. All druggists.

VALUABLE PROPERTY**GONE UP IN SMOKE.**

Manchester, N. H., Has a \$500,000 Fire-Blaze at Kingsville.

Manchester, N. H., Jan. 15.—The destruction of the Kennard, a granite structure, considered to be the finest business office building in New England north of Boston, last night proved to be the worst fire here in many years, the total loss being a round half-million. Beside the Kennard, on Elm street, the Smith block, on the opposite side, was practically ruined, and considerable damage was done to the home of the Derryfield Club, in the rear of the Kennard. In the Smith block is the Park Theater, occupied tonight by J. Z. Little's Dramatic Company, presenting "The World." The fire started about 9 p.m. in the clothing store of Allan & Kimball, and was followed by an explosion that resounded through the city like a cannonading. At the time the board of trade was in session, and the moment the explosion was heard a great rush for the exits was made. All got out safely. The chief figures of loss are as follows: The Kennard, \$250,000; tenants, \$200,000; Smith block, \$20,000; finest \$10,000; Derryfield Club, \$10,000; the other property, \$10,000; the loss to the Second National Bank, in the Kennard, cannot be determined until its vaults can be opened. Kingsville, Jan. 14.—At 2:40 this morning an alarm of fire was sounded, a blaze having been discovered in a small stable adjoining Gilkinson's livery. It contained Mr. Chas. Peersall's new hearse, valued at \$1,000, which was destroyed. Cause of fire unknown. The surrounding buildings were saved.

A RECOGNIZED REGULATOR.—To bring the digestive organs into symmetrical working order is the aim of physicians when they find a patient suffering from stomachic irregularities, and for this purpose they can prescribe nothing better than the famous Vegetable Pills, which will be found a pleasant medicine of surprising virtue in bringing the refractory organs into subjection and restoring them to normal action, in which condition only can they perform their duties properly.

Are Quick to See

Good Doctors Are Quick to See and Appreciate Real Merit in New Medicines.

Stuart's Dyspepsia Tablets are a discovery of great value to the medical profession and the public. They are an unfailing specific in all cases of

dyspepsia and disordered digestion. Almost everybody's digestion is disordered more or less, and the commonest thing they do is to take some one of the many so-called blood purifiers, which in many cases are merely strong cathartics. Such things are not needed. If the organs are in a clogged condition, they need only a little help and they will right themselves. Cathartics irritate the sensitive linings of the stomach and bowels and often do more harm than good. Purging is not what is needed. The thing to do is to put the food in condition to be readily digested and assimilated. Stuart's Dyspepsia Tablets do this perfectly. They partly digest what is eaten and give the stomach just the help it needs. They stimulate the secretion and excretion of the digestive fluids and relieve the congested condition of the glands and membranes. They put the whole digestive system in condition to do its work. When that is done you need take no more tablets, unless you eat what does not agree with you. Then take one or two tablets—they give them needed help and you will have no trouble.

It's a common sense medicine and a common sense treatment and it will cure every time. Not only cure the disease but cure the cause. Goes about it in a perfectly sensible and scientific way.

We have testimonials enough to fill a book, but we don't publish many of them. However—

Mrs. E. M. Faith, of Byrd's Creek, Wis., says: "I have taken all the tablets I got of you and they have done their work well in my case, for I feel like a different person altogether. I don't doubt if I had not got them I should have been at rest by this time."

H. E. Willard, Omslow, Ia., says: "Mr. White, of Canton, was telling me of your Dyspepsia Tablets curing him of dyspepsia, from which he had suffered for eight years. As I am a sufferer myself I wish you to send me a package by return mail."

Phil. Brooks, Detroit, Mich., says: "Your dyspepsia cure has worked wonders in my case. I suffered for years from dyspepsia, but am now entirely cured and enjoy life as I never have before. I gladly recommend them. It will cost 50c to find out just how much Stuart's Dyspepsia Tablets will help you. Try them. That's the best way to decide. All druggists sell them. A little book on stomach diseases will be mailed free by addressing F. A. Stuart Co., Marshall, Mich."

CARNEGIE'S OFFER TO SARNIA.

Sarnia, Ont., Jan. 15.—Andrew Carnegie, the multi-millionaire, has offered the public library board of this town \$15,000 for a public library, stipulating that the town council should agree to maintain the library at a cost of not less than \$1,500 a year and provide a free site.

Catarrhzone

Kills a Cold in Ten Minutes.

Coughs, Colds and Catarrh Can Never Become Chronic if Catarrhzone Is Used.

Never trifle with a cold, for if followed by extra exposure it is liable to result in nasal catarrh, or worse. Catarrhzone is the best remedy to nip a cold in its incipient stages. Its soothing medicated vapor spreads through the breathing organs, stops sneezing and coughing, allays congestion, and drives a cold right out of the system quicker than can be told.

Miss HELEN BROWN, ANNAN, N. S., writes: "I have used Catarrhzone, and always found it satisfactory. It gives immediate relief to coughs, and cold in the head, and is the cleanest and most convenient cure for catarrh I have met."

MR. ROBERT KENNEDY, OF KINGSTON, N. B., says: "I would not be without Catarrhzone for the world. For a cold in the head, coughs and influenza, it is indispensable. It affords instant relief, and is so simple and convenient that it can't be praised too highly."

Carry a Catarrhzone inhaler in your vest pocket, use it now and again, and you won't have colds—it prevents, as well as cures them, as anyone who has tried Catarrhzone can tell you. Physicians use Catarrhzone in their private practice, and pronounce it the most marvelous cough and cold cure of the age, and state that its equal for lung trouble, bronchitis and catarrh does not exist. Two months treatment guaranteed to cure.

Ten Miners Lost Their Lives in Indian Territory Disaster.

Dynamite Explosion Causes the Loss of Three Lives and Serious Injury to Several Persons.

ALL PERISHED!

South McAllister, I. T., Jan. 14.—Ten miners lost their lives in the explosion yesterday evening in mine No. 9 of the Milby & Dow Mining Company at Dow, I. T. The victims are: Jack McCoy, W. F. Keith, B. F. Farhurst, E. M. Pritchard, Bert Gatlin, Joe Bemmas, Thomas Blua, John Blua, M. Brown, John Beatal.

The ten men who lost their lives were the only ones in the pit, and none were left to tell the story. All the bodies were recovered, and as none were burned the conclusion is that death was due to after-damp. The explosion occurred at a depth of 240 feet. Most of the victims were men with families.

BLOWN TO PIECES.

Williamsport, Pa., Jan. 14.—A dispatch from Karthaus, Clearfield county, says: Three negroes were blown to pieces and seven others hurt in a dynamite explosion early this morning. The explosion occurred in one of the shanties occupied by negro laborers employed on the new West Branch Railway. The men were thawing dynamite at a wood stove.

CHILDREN SCALDED TO DEATH.

Detroit, Jan. 14.—Stella Peck, a 4-year-old daughter of Herbert A. Peck, of 497 McKinstry avenue, fell into a pail of boiling water, and after suffering terrible agony for 15 hours, died at 5 o'clock this morning.

David Trombley, 4-year-old son of David Trombley, living on Gratiot avenue near Connors' Creek, died as the result of being badly scalded last Saturday.

FATAL FALL.

Halifax, N. S., Jan. 15.—Ivan, the 7-year-old son of James McEwen, a retired merchant, fell down an open cellar hatch yesterday and struck on his head, receiving injuries from which he died.

A BOY MURDERED.

Ottawa, Jan. 15.—The murder of a boy named Gauthier, at Kippewa, is reported from Bryson, Que. The victim was left alone on Jan. 2 with a hired man. Four days later, when the body was found, the man had been killed and the body was found buried in the snow. The hired man was gone and has not been seen since. The police are looking for the alleged murderer.

Tersely Told.

Frank Oliver, M.P., will be banqueting on the 23rd inst by the Red Deer (Man.) Liberal Association.

E. M. Wilcox, assistant secretary of the Canadian Manufacturers' Association, is giving up that office.

The condition of ex-Ald. John H. Macdonald, of Windsor, is considered critical by the attending physician.

It is said a provincial detective will be put on the Kingston grave robbing case. Another rumor says the body of Mrs. Hughes will be returned.

Kingston's new opera house was opened last night. It has been leased by A. J. Small, of Toronto, has accommodation for 1,400 and cost \$25,000.

The steamer Manchester was seized at Halifax for alleged infraction of the regulations. It is stated that two cases of woolen goods were landed from the steamer, which

At the request of Henry Lawrence, of Watford, one of the candidates for reeve of the village at the recent municipal elections, Judge MacWatt held a recount at Sarnia. At the time of the elections the returns were given out as follows: Hume 55, Lawrence 129, Williams 127. Judge MacWatt, at the recount, found that Hume had 75 votes, Lawrence 124, and Williams 125. There were three blank ballots and one for Williams was rejected. This gives Mr. Williams a majority of only one instead of four.

An inner-city young man named Hotson was killed in Chicago last week. Hotson and two other men were working on a scaffold on a building which swung over the city. Hotson was holding the ropes which held it to give way. Hotson and the other men were thrown to the ground, Hotson landing on his head. His injuries proved fatal. The body was brought home to Inniskill for interment.

Judge Horne, of Windsor, has handed down his decision in the Taylor will case. Mrs. Rose Taylor, of Belle River, disinherited Patrick Delaney, her son by previous marriage, but gave Delaney's son \$500. Delaney sought to have the will set aside on the ground of undue influence, and the alleged mental incapacity of his mother, and applied for the probate of a previous will bequeathing him \$1,000. The court decided against Delaney, declaring that Mrs. Taylor was of sound mind when the last will was made.

RATS IN THE WHITE HOUSE.

Washington, Jan. 15.—Rats are over-running the White House. No one seems to know how or when the rats first came there, but it is probable they came from the stable. Since the rats have been there, they have made the place lively. Many visitors have been startled when calling upon the president by a sudden rear and rush into the floor above the cabinet room. It sounded as if there was a bowling alley in full operation, with all the Roosevelt children trying to knock down the pins.

INTER-OCEAN SOLD

George W. Hinman Secures Control of the Chicago Newspaper.

Chicago, Jan. 15.—A deal has been made by which George W. Hinman, who for four years has been the editor of the Chicago Inter-Ocean, has acquired the entire control with the co-operation of some eastern friends of that newspaper.

Charles T. Yerkes, the owner of the Inter-Ocean, sold his holdings absolutely, and it is announced that William Penn Nixon, who has been connected with the paper for some time, also retired. The company's name has been changed by the new owners to the Inter-Ocean Newspaper Company.

Mr. Hinman, who owns a majority of the stock, will be president of that company and have complete control. He will be the only stockholder in Illinois, the minority holders of stock being easterners. The Inter-Ocean, it is announced, will continue as a strong Republican paper with an independent tone.

Strong lights, with basins of petroleum below them, are now used in Illinois to destroy night-flying insects that injure vineyards. As many as 4,000 insects have been caught in a basin in one night.
