

ST. MARYS COUNCIL

**Will Not Pay Hydro C
sion Until Rates
Adjusted.**

[Special to The Advertiser]
St. Marys, Nov. 28.—The town clerk held a busy session last night. The clerk presented a communication from Mrs. Legear, of Station 1, who complained of a street being choked up, causing her to run into her house cellar, and for damages. The matter was referred to the board of works. George R. Sadler, of Detroit, applied for a license for a poolroom. E. T. Gilpin wrote, asking for a date on taxes on a Queen street vacant since last January. The matter was referred to the assessment commission.

R. Shephard, court clerk, and his division and the council to settle \$16,000 in connection with the Murray and suit for taxes. The matter red to the finance committee. The following committees reported as follows: Finance—M. F. and P., \$70.40; printing—M. F., \$13; cemetery, \$20.83; a resolution was passed to request to T. Rogers for one Nov. 1, 1911, the same being acres of land, addition to cemetery. Mayor Sanderson recommended payment to the hydro-electric commission at Toronto until price is adjusted. Bylaw No. 216, to appoint officers for holding the municipal elections in St. Marys.

The mayor was authorized to call a public meeting in the town square at the St. Marys and Western Railroad's second mortgage bonds, which will be voted on Saturday night. A motion was passed to authorize light and water board to give night street light service on the street in by the board.

A. E. Welch, of the Northern Electric Railway, addressed the meeting in reference to the right of way of the new line. At the town of the line. At the meeting, Mr. Welch, sent in a proposal of the company's terms, which will be taken up this week.
