Death of a Victorian.—The funeral of George Ramsey, who died at the General hospital last Sunday, took place from there were no failures—all passing very creditably. Mr. Prentice's visits do much to advance interest in public schools in general and he already has a very high record as the head of the educational department.

Looking Ahend.—That Victorians are anxious that those belonging to them should be well off after the head of the family has passed away, is shown by the reports of the life insurance companies. This city has the record for the percentage of those holding life insurance policies, the amount paid in premiums last year being \$145,702.
