never do it. The Brants bave come to this view, for a challenge from them was received yesterday in this city. But before they can be accommodated with a game, two other challenges are ahead of them, and must be first disposed of: the Phoenix of Toronto, and the Young Shamrocks of Montreal. The Brants will then have a shance. Of course it is not nice to be beaten on your own grounds after a successful season, but unpleasant things must be endured.

THE INTERNATIONAL CHAMPIOMSHIP. On Wednesday last the Dominions of Toronto went up to Brantford, and defeated the Brants of that city for the intermediate flags. The referee was Mr. Malone of the Toronto club. But the Brants are very sore over their defeat, and the papers of that city are making severe reflections on the unpire and the Toronto players. The latter have a different story. They say that they were roughly used by the hoot on the field; that they were stoned when leaving the grounds; that a Hamilton man, an Uvbridge man, and a Woodstock man played with the Brants: that their own unifered ecided against them twice when they writed game; and that the decision of the referee was a just one.
