A PROFESSOR FROM ROCHESTER.

He Discourses in the Pavilien Upon the Temperance Question.

To hear Prof. A. A. Hopkins of Rochester, one of the ablest prohibition workers in the United States, there gathered in the Pavilion yesterday afternoon a large sudience. Mr. F. S. Spence of the Prohibition Club was in the chair and among others on the platform were Ald. Fleming and Hewitt and J. W. Bengough. The St. Catharines jubilee singers were unable to attend, as was an nounced, but their place was taken by Prof. Box" Brown and his two daughters, who am gave everal melodies that were much appreciated. Prof. Brown was as dignified as ever, his frilled shirt front was likewise and he made a Chesterfieldian bow, a wave of the hand, as he took his seat.

Prof. Hopkins took for his text, "Reader unto Cessar the things that are Cessar's and showed the Council of the Council of the Council of the Match, was deaded of the Council of the

instead of "isneeling."

The energetic secretary, Capt. Mutton, showed the Council as asmple of the medals he had procured by order of the Council for the winners in the London Challenge Match at Ottawa. They were greatly admired and unanimously approved. The prize meeting this year will be held during the week preceding the D, R. A. matches at Ottawa.

school. The only business of any importance unsacted was the raising of the salaries of the two caretakers, Mr. Moore's from \$560 to \$600, and Mr. Edwards' from \$400 to \$690. Mr. Hicks, headmaster of victoria school, also came in for some of their liberality, having his salary raised from \$900 to \$1002. The reason the extra \$2 was added is not exactly a

mystery.

The establishment of a French-Canadian Catholic Church at Sackville and King-street is bringing into the vicinity a large influx of French-Canadians, who wish to be near their place of worship. The World saw one family 14 strong arrive on Saturday from Montreal, their two wagon loads of furniture being billed to a house in Power-street.

CHAT ACROSS THE CABLE.

All is quiet in Samea.

The British Channel squadron has arrived at Tangier to support England's claims regarding the cable and other matters. The fleet will not depart until the Sultan's reply has been given. The Duke of Cambridge, commander of the Torces, has issued a royal warrant, declaring the Queen is convinced of the Honorable Artiliery Company's loyalty, and restoring to the lever Company its ancient privileges.

The popular hostility against syndicates is growing. In the House of Commons W. H. Smith. he Government leader, while refusing to interfere with the salt syndicate, declared that such combinations worked their own cure, and tended ultimately to reduce the price of strices the rates on which they temporarily raised.

Ayer's Sarsaparilla has prevented the usual course of Boils, which have pained and distressed me every season for several years.—Geo. Scales, Plainville, Mich. Years.—Geo. Scales, rimitylie, alten.

I was badly troubled with Pimples on the face; also, with a discoloration of the skin, which showed itself in ugly dark patches. No external treatment did more than temporary good. Ayer's Sarsaparills effected A Perfect Cure.

I was troubled with Boils, and my health was much impaired. I began using Ayer's Sarsaparilia, and, in due time, the cruptions all disappeared, and my health was completely restored.—
John R. Elkins, Editor Stanley Observer, Albemarle, N. C.
