

# Rain Disrupts Three M-O League Games; Maines Here To-Day

## PRESIDENT MAINES HERE FOR THIS AFTERNOON'S GAME BETWEEN ACES AND INDIANS

M-O. League Head Is Disappointed at Yesterday's Postponement—Southpaw Thomas Will Probably Pitch Against Shriver, 1919 League Leader, This Afternoon

Yesterday's game between London and Saginaw at Tecumseh Park was postponed until Wednesday, July 14, not on account of rain but because of the darkness, which made it impossible to stage the game and 15 minutes after Empire McKee had announced calling off the game, a hail and rain storm swept the field.

A double-header will be played on July 14, and not to-day, as the Tecumseh are called upon to play two games in Bay City to-morrow afternoon, while the London and Saginaw will play on Monday, July 15. To have staged a twin bill this afternoon would have meant six games in three days, providing a difficult task for the pitching staff.

Over 200 fans had gathered at the park and not only were they disappointed, but the ladies as well as President G. H. Maines and Scout James McGuire, of the Detroit Tigers, had made their way to the grounds.

It was learned from Stratford, Ed. Galt, that the game will be postponed for to-day's game and will accompany the movement of the eight ball club to Michigan to-night.

Scout McGuire will see this afternoon's game being anxious to see Pittsford, Kennedy and Carmen perform. While he will see Pitt and Speck play it is not likely that Lefty Carmichael will pitch today, but McGuire will go to Bay City and Saginaw next week to catch Lefty in action.

Southpaw Ad. R. Thomas warmed up before the game was called off and displayed the sort of zip that won for him the praise of the fans at the opening of the season and it is quite probable that he will pitch this afternoon and it will be like pitching the opening game to him. He went on the trip to Michigan after opening week and started a game when the team returned, but his infected eye kept him out of the game ever since.

The pitching staff will be the strongest on the circuit if Thomas shows his early form.

It was learned from Stratford, Ed. Galt, that the game will be postponed for to-day's game and will accompany the movement of the eight ball club to Michigan to-night.
