ALL TOGETHER

FOR LAST DRIVE

Canada Systematically Gathering Forces for Final Onslaught Against Unspeakeable Hun.

Canada is about to gather her available resources for the last great drive that shall send the Hun reeling from the conflict into which he plunged the civilized world four years ago. She proposes to lay the foundation for this ultimate effort by taking an inventory of the man power of the Nation, and has set aside Saturday, 22nd June, as the day upon which all persons, male and female, of sixteen years and over, must register and make declaration as to the useful kinds of work in connection with which their services might be utilized.

The information that registration will provide will constitute a solid basis upon which the Government can intelligently formulate and put into execution all its war policies. After registration the Government will have a clearer understanding of the capabilities of the country for production; they will know how much of Canada's human energy is being uselessly expended. Knowing all these things they will be in a position to bring her full weight to bear upon the issue in the disposal of which every ounce of energy will count.

The registration of 5,000,000 men and women in one day is in itself an enormous task, but Canadians can be relied upon to meet it as they have met every major task imposed by the war.

McKenzie, Warwick Village, where Mrs. Farr and two children were visiting. The little one was only six months and nine days old and was a bright, interesting child, and her sudden taking away has cast a deep gloom over the household. Rev. J. C. Forster conducted the funeral at Bethel cemetery.

The regular meeting of the W. I. was held in the Forester's hall on Monday, June 10. Meeting opened with the Institute Ode, followed with prayer. Owing to the busy season only ten ladies were present and spent the afternoon sewing and knitting soldiers' comforts. A vote of thanks was tendered to the members of L.O.L. 516 for their generous donation of \$20, part of receipts from their 24th of May celebration. Milton Hall was then called forward and presented with a handsome "travelling companion" and an address, signed on behalf of his friends by George Lampman and Claire Eastman. After the presentation all joined in singing "For He's a Jolly, Good Fellow." Milton replied in a few well chosen words. The

Regarding the war situation as a whole, we urge the importance of the public retaining the proper sense of proportion. We have got a long row to hoe, and for the whole Summer the situation must continue to be an anxious one. It is not the loss of this or that ridge or position which counts, but the effect of the operations as a whole and the problem of the replacement of man-power. In the long run man-power will be the vital factor.
