years ago, on the Bosanquet and Warwick townline between Forest and Arkona, Chaftes Minielly of Forest, driving a sedan, on Saturday went into the deep ditch, the car turning turle. The sedan top and the fact that he was not driving fast saved Mr. Minielly from being killed. He escaped with a broken arm and severe bruises. The body of the car was completely wrecked. On Friday morning of last week there was quite an excitement at George Butler's on the 4th line, near Arkona, when it was found that one of the children had a bonfire that got into the straw scattered around the barns. Neighbors came quickly, the threshing crew nearby and the silo fillers on the next farm all rushed to help. The milk wagon with its load of whey happened along just then, and the whey was used to put the fire out. Successfully the men fought for hours to save the barns.
