

3 Excellent Reasons

Why YOU should have the
Martin-Orme Agency
in your territory.

1st The Martin-Orme is so widely known that it requires no preliminary campaign of introduction to the public. Begin talking Martin-Orme and the prospective buyer knows at once that you are talking quality in every sense of the word.

2nd The Martin-Orme line is complete. There is a style for every taste no matter whether a straight piano or a player-piano is desired. No need for the prospective buyer to look elsewhere when a choice of Martin-Orme styles is offered.

3rd The Martin-Orme name and quality are backed by one of the strongest manufacturing organizations in the industry. That insures Martin-Orme stability and the permanence of the benefits of the Martin-Orme agency.
