**KERSHAW & EDWARDS,**

ESTABLISHED

YEAR 1839.

**IMPROVED FIRE PROOF SAFE.**

The favor these Safes have won by their many  
and severe trials during the last quarter of a century,  
from the fact that not one has ever failed in preserving  
its contents, thoroughly establishes their reliability,  
and with recent improvements made during the past  
two years, we offer them as the most perfect *Fire Proof*  
*security extant*, and free from dampness.

Our *Burglar Proof Specie Boxes* made of combined  
iron and steel in a manner peculiarly our own, the  
steel so highly tempered and placed as to be beyond the  
reach of, and defy the tools of the most ingenious  
burglars, and when placed inside of one of our *Fire*  
*Proofs* produce a most perfect *Fire and Burglar Proof*  
*security*. Merchants having large amounts of silver  
on hand should not be without one.

We also manufacture Patent Combination Bank  
Locks, and the most modern Bank and other securi-  
ties.

Lists of sizes and prices mailed on application.
