

Cape Breton and Chester Divisions, on which they would report as follows, viz.:

**MAYFLOWER DIVISION, No. 9.**—Your committee would recommend that the words “in accordance with Article 7 of the Constitution and Article 2 of the Revised Rules” be added to Section 2, of Article 6, in order that it may agree with the Constitution.

**CAPE BRETON DIVISION, No. 27.**—Section 1 of Article 2, conflicts with the Constitution, as the Rules of the Order do not recognise the term “*non-beneficial members.*” Your committee would recommend this section to be stricken out, and the following substituted instead thereof:—

Persons of old age or under disability, may be admitted (in accordance with Section 2 of Article 5 of the Constitution) for the sum of five shillings, Initiation fee, and seven shillings and six pence yearly dues, but shall not have the privilege of voting on money questions.

The words “Constitution and” in Section 2 of Article 4 to be erased, as Divisions have no power to remit penalties imposed by the Constitution.

The words “after one week’s previous notice has been given” to be added to Section 6 of Article 4, (see Section 2 of Article 4, Revised Rules.)

The word “in accordance with Article 7 of the Constitution and Article 2 of the Revised Rules” to be added to Section 2 of Article 5.

As Subordinate Divisions have the right of granting Withdrawal Cards only, and not Clearance Cards, which power is invested in the Grand Division alone, and as Section 9 of Article 5 of the By-laws now reads, unpleasant feelings would likely be created between the brothers withdrawing and the Division, particularly if they should be in good standing on the books of the F. S., your committee would recommend the Division to substitute the following for the above named Section, viz. :—

“When a member claims a Card of Withdrawal, at a regular meeting, he shall be entitled to, and receive the same from the F. S. upon payment of all monies due by him to the Division; and the further sum of 74d. for such Withdrawal Card. (See Section 4, Article 7, Revised Rules.)

**CHESTER DIVISION, No. 32.**—The words “no person above the age of sixty to be admitted as a benefit member” in Section 1 of Article 2 to be erased, and the following substituted: “Persons over sixty years of age may be admitted in accordance with Section 2 of Article 5 of the Constitution.”

The words “Constitution and” in Section 3 of Article 5, to be erased, as Divisions have no power to remit penalties imposed by the Constitution.
