University of Mount Allison College,
Sackville, N. B.
JAMES E. INCH, LL. D., PRESIDENT.

THE University of Mount Allison College offers to students, whether desiring to take a full undergraduate course or a partial course limited to special studies, advantages unsurpassed in the Maritime Provinces. The brilliant record of Mount Allison men at some of the leading Universities of England, Scotland, and Germany, as well as the success of Mount Allison under-graduates in the competitive examinations of the University of Halifax, establish beyond question the thoroughness and comprehensiveness of the education received at this University. Arrangements will be made during the present year to increase the efficiency of the Institution and to add to the comfort of students.
Special facilities will be afforded to ladies wishing to pursue the full under-graduate course, and to teachers who may need to teach during the Summer Term. Intending students are invited to correspond with the President.

MOUNT ALLISON WESLEYAN ACADEMY.
T. T. DAVIS, B. A., HEAD MASTER.

NO Institution of learning in the country has had a more successful history and none is more worthy of patronage for the future. Many of the most prominent men now in professional commercial and political life in Canada, and in other lands, had their training at Mount Allison Academy. The arrangements for the future are such as will guarantee a continuation and extension of the efficiency of the Institution. A thorough English and Commercial Education is imparted, and students are prepared for College Matriculation and for Civil Service examinations. If desirable, students can take, in addition to their work in the Academy, one or more classes and lectures in College. Every care is given to the private interests of the boys, so as to insure their comfort and happiness.

MOUNT ALLISON LADIES' COLLEGE.
REV. D. C. BORDEN, M. A., PRINCIPAL.

OVER 30 years of progressive Educational work have given this Institution an unrivalled position in the public confidence. Instruction is imparted on subjects ranging from the primary English branches through the whole College Curriculum. Young ladies studying for teachers may here combine the accomplishments with the thorough drill necessary to their profession.
The Departments of Music and Fine Arts are maintained in a high state of efficiency. Prof. Mack's long training under Prof. Speidel, of the Stuttgart Conservatory, places him in the front rank of musical educationists.
Solo-Violin, Ensemble playing, History of Music, and other new features are being added under his direction. Painting on china, plush, wood, brass, terraline, etc., are among the novelties which illustrate the progressive character of the instruction imparted in department of Fine Arts.
Apply to Principal for Catalogue.
The next term in all departments of the Institution will open on Thursday, January 6th, 1887.
