Scientific and Useful.

EGG OMELETTE.—One pint rich sweet cream, three tablespoonfuls of flour, three eggs well beaten, half teaspoonful salt and pepper. Stir flour and milk smooth, add the eggs. Melt a large spoonful of butter in a baking pan, pour in, and bake twenty minutes.

A SEVERE ATTACK.—"I never felt better in my life than I have since taking Burdock Blood Bitters. I had a severe bilious attack; I could not eat for several days, and was unable to work. One bottle cured me." John M. Richards, Sr., Tara, Ont. For all bilious troubles use B. B. B.

SPICED HASH.—Take bits of cold beef, or any other kind of roasted or boiled meat, and hash fine. Mix with potatoes mashed well; as much potatoes as meat. Add two beaten eggs, season with salt, pepper, sage or summer-savory. Shape into a loaf, and bake brown. It is good hot; or as a relish, cold.

Consumption Surely Cured.

TO THE EDITOR—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address. Respectfully, DR. T. A. SLOCUM, Branch Office, 37 Yonge Street, Toronto.

POTATO SOUFFLE.—Beat two cupfuls of hot mashed potatoes light and soft with warm milk and a little butter, add the yolks of three eggs, pepper and salt, and turn into a greased pudding dish, set into the oven until it begins to brown, spread with the meringue of the whites whipped stiff, with a little salt and pepper; drop tiny bits of butter on the top, and when this has coloured slightly take from the oven. Serve at once before it falls.

STARTLING YET TRUE.—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and blood diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device just introduced into Canada by the Ontario Medicated Electric Belt Company. This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

MUSH BISCUITS.—Take say a quart of hot cornmeal mush, and stir in either Graham or white flour till it is quite stiff. Add cold water till the mixture is cooled to blood heat. Then stir in two or three tablespoonfuls of fluid yeast, then more flour, forming a tolerably stiff dough, knead well, and set it to rise over night. In the morning mould into small biscuits, oil the edges to keep them from running together, and set to rise a second time. When light, bake in a good even oven till done.

A COMMON OCCURRENCE.—Many bad joints, by which people are crippled for life, are made by neglected or badly treated rheumatism. Ida Plank, of Strathroy, Ont., was afflicted with rheumatism in her fingers so that she could not bend them. Yellow Oil cured her, and is a prompt cure for all painful complaints.

A QUICKLY MADE VEGETABLE SOUP.—Boil turnips, onions, carrots, cabbage and celery, chopped fine, in quantity desired, in two parts of water, with a piece of butter the size of a large walnut, and a little salt. A few minutes before dinner, add a quarter of a forty-cent jar of extract of beef, stirring it until dissolved, and add salt and pepper to suit. Those who like rice in the soup with vegetables should add two or three tablespoonfuls, when the vegetables are half cooked. This quantity is enough for six or eight persons, but should, unexpectedly, more be needed, some more boiling water and a little beef extract added, will, in a moment, make all the soup required without changing its quality in the least.

If the Sufferers from Consumption

Scrofula and General Debility, will try Scott's Emulsion of Cod Liver Oil, with hypophosphites, they will find immediate relief and permanent benefit. Dr. H. V. Mott, Brentwood, Cal., writes: "I have used Scott's Emulsion with great advantage in cases of Phthisis, Scrofula and Wasting Diseases. It is very palatable. Put up in 50c. and \$1 sizes."

CONSUMPTION,

which is Scrofulous Disease of the Lungs, is promptly and certainly arrested and cured by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this new celebrated remedy to the public, Dr. Pierce thought seriously of calling it Dr. Pierce's "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled not only as a remedy for consumption of the lungs, but for all
