The annual meeting of the congregation, Deseronto, was held last week, and the report was very encouraging. The ladies who only a few years ago undertook the erection of a manse, reported that building now practically free of debt, only \$100 remaining unpaid. The past year was very prosperous for the church.

The Knox Church Messenger, edited by Rev. J. C. Herdman, B.D., as a weekly missive to the members and adherents of Knox church, Calgary, and a record of congregational life, issued every Saturday from the Tribune office, has reached us. Its principal aim is to help on congregational interests by giving information about various departments of church life and work.

On New Year's Eve a number of the teachers and scholars of the Beeton Sabbath School presented Mr. J. C. Scott, the superintendent of the school, with a beautiful chair and an address expressive of their appreciation of his untiring zeal in behalf of the Sabbath School, but all the work of the church. The Church Hill congregation, Rev. W. A. Duncan, pastor, at their annual meeting on the 12th inst., secured a most desirable site for a new \$6,000 church. A subscription list was opened for the immediate construction of sheds for the farmers' horses, to be followed in due time by the erection of the church itself. The treasurer's report showed a balance on hand, after paying all expenses, of some \$300. Their prospects are very encouraging.

At the annual congregational meeting of St. Paul's church, Amherst Island, R. Wilson, Esq., reeve, and Mr. S. Fleming, both members of the board of managers, on behalf of the congregation presented Miss Wright with a gold watch and chain, accompanied by an address in recognition of her services as organist. Miss Wright thanked them in appropriate words, and considered she had only done her duty in giving her best services to the church.

The Presbyterian Church, Eldon, has just completed building a handsome manse at a cost of \$3,000 from plans furnished by Mr. W. Duffus, of Lindsay. The manse is a credit to the liberality of the congregation and to the skill of the architect. At the "house warming," which came off last week, over sixty bags of oats and several more of grain were emptied into the granary of the fine stable belonging to the manse, and a purse of \$52 was handed to the minister.

The communion services of the congregation of Shelburne and Primrose, Rev. S. J. McLellan, pastor, were held at Primrose on Sabbath, 10th inst. There was a gratifying increase in the membership. The congregations are in a healthy state, financially and spiritually. The week of prayer was well observed by union meetings of the Presbyterian and Methodist congregations. Arrangements have been made to continue these meetings on the first Thursday of each month.

The Presbyterian Bible Class, Orillia, invited the respected Pastor Emeritus of the congregation, the Rev. Dr. Gray, to preside at their choral service and presentation of the origin to the church, but, much to the regret of all, the reverend doctor's health would not permit of his going out after midnight. Dr. Gray was one of the most successful Bible class teachers Orillia ever possessed, and he continues to take a deep interest in the class under the instruction of the Rev. R. N. Grant.—Pacht.

The annual business meeting of the congregation of St. Paul's Presbyterian church, Ottawa, took place on Tuesday evening, 22nd inst. Rev. W. D. Armstrong, M.A., occupied the chair, and there was a good attendance of the congregation. The annual reports were presented, and routine business was transacted. Dr. Thornburn and Messrs. Alex. Anderson and James Anderson were re-appointed trustees. The new organ, which arrived some time ago, will be ready for use in a short time.

At the recent meeting of Presbytery, Montreal, Rev. Mr. Campbell, of St. Gabriel's church, reminded the presbytery that this is the centenary of Presbyterianism in Montreal, and a committee, consisting of the moderator of presbytery, the ministers and representative elders of St. Gabriel, Knox and St. Paul, Montreal, with Rev. Mr. Jordan and Mr. Warden King was appointed to consider this matter, and to make the necessary arrangements if a celebration be decided on, Mr. Campbell to be convener.

On Tuesday, Dec. 29th, Mrs. Harvie organized a new branch of the Women's Foreign Missionary Society in Knox church, Shelburne. The new society has every prospect of success. The field is large, and good results are expected. Eighteen members were enrolled at this meeting, and a number more are pledged. The following ladies were invited to office: President, Mrs. T. J. McClelland; 1st Vice-President, Mrs. A. McLachlan; 2nd Vice-President, Miss Johnson; Secretary, Mrs. J. A. Whitten; Treasurer, Miss Oliver.

From the report submitted at the annual meeting of Meriville church, Brussels, we glean the following facts: Number of families, 100; new members received, 35; members dismissed, 11. The membership has thus risen during the year from 159 to 183. The membership, six years ago, when Rev. John Ross entered on the charge of the congregation, was 116. The revenue for ordinary purposes was \$1,693.05, and the contribution to the schemes of the Church was \$401, making the whole amount raised during the year \$2,154.05.

The congregation of Cooke's church held their annual meeting on Wednesday evening, 13th inst., when Rev. Prof. Gregg presided. There was a large attendance. The treasurer's report showed a balance in hand of \$129. The following trustees were elected for the ensuing year: Messrs. P. G. Glasse, W. J. Hughes, James Allison, T. A. Lytle, Wm. C. Riddle, A. G. Booth, S. Wallace, Robert Wilson, and N. M. Connell. The trustees were requested to consider the question of erecting a new church.

The Presbyterian congregation of Waldemar have decided to make an effort to build a new church next summer, and with that object in view, held a soiree on the evening of New Year's Day, which was both successful and enjoyable. About \$70 were taken at the door. A letter was received from Mr. W. H. Hunter, Reeve of East Garafrasa, enclosing his absence, but containing a gift of \$20 towards the building fund. Interesting and instructive addresses were given by Rev. Mr. Armstrong, of Hillsburg, and Rev. Mr. Gilchrist, of Cheltenham.

In concluding his sermon Sabbath evening, Rev. A. A. Scott, Carleton Place, protested against the dangerous liberty allowed boys in being permitted to loiter late about the streets. With earnest emphasis he denounced the indifference many parents show in neglecting to teach their children the principles of true morality and in delegating the important duty to others. He exhorted above all that consistency should characterize the life of parents while they endeavour to instill into the lives and habits of their offspring the principles of a noble life.

A very successful social under the auspices of Knox church, Shelburne, was held in the Town Hall on New Year's evening. After refreshments, the pastor in the chair, a long and varied programme, consisting of speeches, music and singing was rendered. Colonel Tyrwhitt, M.P., also recounted some of his experiences in the North-West. A pleasing feature of the evening was the presentation, by the chairman, on behalf of her friends, of a beautiful gold watch, stem-winding, to Miss Kate Stewart, who for three years has presided so efficiently as organist. Net proceeds over \$113.

The congregation of the Cheltenham church held their soiree on Christmas evening. There was a very large attendance. Excellent addresses were given by Rev. Messrs. Hicks (Methodist), Brampton; Fowle, Erin, Reid, Weston, and Gilray, Toronto. The choir of Brampton Presbyterian church lent most effective service. On the evening of Monday following a very large audience gathered to see the Christmas tree and hear the young folk recite and sing, under the leadership of Mr. A. B. Henderson. The proceeds, which we understand are to be applied in making improvements on the church building, amounted to \$120.

On Thursday, January 7th, Mr. R. Stewart, B.A., graduate of the Presbyterian College, Montreal, was ordained and inducted into the pastoral charge of the congregations of North Gower and Wellington. The new church at N. Gower not being completed, the ordination took place at Wellington. Notwithstanding the severity of the weather, the church was completely filled. Rev. Mr. Scott preached; Mr. Whillans addressed the congregation, and Mr. Glasford addressed the newly-inducted pastor. In the evening a large congregation assembled in the church to welcome the new minister. Addresses were delivered by Rev. Messrs. Scott, McArthur, Hicks, Shearer and Stewart.

The Medicine Hat Times, in a recent issue, gives an interesting account of the Sabbath School work in the Presbyterian church. The competition for prizes was very keen, and the interest taken by the whole school was remarkable. Rev. Mr. Herald, assisted by Mr. Drinnan, examined the more advanced classes, and the superintendent, Mr. George McCullagh, the younger pupils. The subjects for examination were the first thirty-eight questions in the Shorter Catechism and a general knowledge of the last quarter's lesson. "It is the intention" of the superintendent "to conduct written examinations in the senior classes, at the end of each quarter, and distribute prizes again to the whole school at the end of 1886."

We have received from Rev. Mr. Jordan, B.D., pastor of Erskine church, Montreal, a number of exceedingly neat and interesting programme cards relating to practical work in his church, such as prayer-meeting topics with the pleasing words "Strangers and Friends may always be sure of a Cordial Welcome" in a conspicuous place. "Young People's Association," from which we learn that ladies take part in the discussions, on questions affecting the interests of the sex. "Should ladies be admitted to the learned professions?" The very handsome New Year's card bears a very cordial greeting to every member and adherent of Erskine church. Such missives should tend to make church life pleasant.

The annual meeting of Knox church, Palmerston, on the 13th inst., was well attended, and the reports read indicated a year of material and spiritual progress. The amount raised for all purposes was about eighteen hundred dollars. Twenty-six new members were added to the roll; 38 children and 1 adult were baptized; 231 pastoral visits were made. The average attendance at the Sabbath School was 140. Energetic and real-ous Ladies' Aid and Ladies' Mission Associations did excellent service during the year. Commodious and serviceable sheds have been erected for the benefit of those bringing teams. Rev. Mr. Aull is an indefatigable worker, has excellent executive abilities, and the congregation never had so harmonious or prosperous a year as the past one.

Rev. FATHER CHINQUY has issued another letter to the religious press of Canada, giving details of the burning by incendiaries of his second edition of "Fifty Years of Romanism." He ends with the statement: "The prospect before me is very dark indeed. With my 77 years of age, after my last 23 years of hand to hand fighting with Rome under your eyes, I have not only expended my last cent for the gospel cause, but a debt of more than \$5,000 like a rocky mountain is on my shoulders crushing me to the dust. It has pleased my God to put a bitter cup of humiliation and misery to my lips. When I look to my soul I feel with anguish, my heart is fainting. With the dear Saviour, I say as much with my tears as with my voice, 'O my Father, if it be possible let this cup pass from me. Nevertheless, not as I will; but as Thou wilt.'"

The secretary of the Hamilton Auxiliary of the Women's Foreign Missionary Society (Presbyterian) in her ninth annual report says that there has been little progress during the past year. The membership is 52, two less than last year, and the yearly contributions amount to \$206.47. Meetings were held every month, excepting in July and August. The society joined with the other auxiliaries in sending clothing to the Indians in the North-West, also to the families of missionaries in that region. Mrs. Annand, one of the society's missionaries in the New Hebrides, was present in September, and gave an account of the work being done in that field. The secretary closes her report with an earnest appeal to the ladies of the Presbyterian churches to attend the monthly meetings of the society, and do all in their power to further the good work.

At the annual meeting of Erskine church, Hamilton, Rev. T. Scouler, pastor, the session reported an increase of 72 members during the year, and two deaths. The Sunday School was reported to have an average attendance of 215 scholars, and a teaching and official staff of 28. There has been collected for missions and other general objects of the Presbyterian Church, \$360. The man-

agers showed that the financial condition of the church was most satisfactory. All the current liabilities of the congregation, including interest, have been met, leaving a balance in the hands of the treasurers of upwards of \$50, with \$145 to be collected for pew rents. The treasurer of the Building Committee reported that all the accounts connected with the building of the new church had been paid, and the debt reduced by over \$2,000. The election of managers for the coming year resulted in the appointment of James Brown, Wm. Milne, John Patterson, W. H. Harvey and James McCulloch, James Smith and George Risch were appointed auditors for the present year.

The annual business meeting of St. James' Square church, Toronto, held on Monday evening, 18th inst., was preceded by a very successful social. Mr. Burgess was made chairman of the meeting. The managers' report was read and adopted. The receipts during the year were \$5,559.13, and the expenditure \$3,469.76, leaving a balance of \$593.37. In 1884 the receipts were \$6,452.40, the ordinary expenditure \$4,452.40, and \$2,000 paid on account of building fund, leaving no balance in hand. In 1883 the receipts amounted to \$9,291.52 and the expenditure to \$9,776.62, leaving a balance of \$27.90. There was read a letter from Dr. Kellogg, the pastor-elect, dated from Florida, who stated that his health was very much improved, that he expected to take a run to the Bermudas in a short time, and to come to Toronto in April, the time already fixed for the induction. Messrs. Nalin, McIntosh, Carlie, Christie, Woodbridge, and Long, the retiring managers, were duly re-elected. After the customary votes of thanks the meeting adjourned.

On Thursday, the 14th inst., the Presbytery of Ottawa met in the Presbyterian church of Fitzroy Harbour to ordain and induct Mr. W. K. Shearer, B.A., as pastor of the united congregations of Fitzroy Harbour and Torbolton. Dr. Moore, of Ottawa, presided and preached; the Rev. Geo. Jamieson, of Ajlmier, addressed the pastor, and Rev. Jos. White, of Rochesterville, the people. The day was fine and the congregation was fairly represented. The call to Mr. Shearer was a very unanimous one, and it is hoped a season of great spiritual prosperity and usefulness is in store for both pastor and people. In the evening there was a social gathering of the congregation to welcome their pastor. The church was tastefully decorated. After an excellent tea provided by the ladies of the congregation, a suitable programme, consisting of music by members of the congregation and friends from a distance, a reading and recitation, and speeches by the chairman, the Rev. Mr. White, and the Rev. Messrs. Jamieson, of Ajlmier, and Stewart, of North Gower, was rendered. Over \$25 which is to be devoted to repairing the church was realized.

On the evening of the 18th inst., Mr. Shaw, editor of the Canadian Live Stock Journal, was waited upon at his residence "Riverview," Brinton, by a number of the teachers and members of the Bible-class of the Presbyterian Sabbath School at Blackheath, who presented him with a complete edition of Matthew Henry's Commentary, beautifully bound, and comprising nine volumes. The presentation was accompanied with an address which dwelt upon the estimation in which Mr. Shaw was held by this school, which he organized, and the Bible class of which he has taught during recent years. Mr. Shaw replied that although the care of this and the other Sabbath School which he has in charge, necessitate a drive of twenty-three miles every Sabbath in the summer season, that it was a happy work, and one that, like every other work done for the Master, abundantly repaid the workman in the doing of it. He thought it a pity that so few comparatively had learned that great secret, and most cordially thanked the deputation that had come nine miles to pay him so high a tribute, of which he regretted he was not more deserving.

The annual congregational meeting, Weston, was held on Tuesday, January 5th; the pastor, Rev. W. Reid, in the chair. The treasurer's report was read by Mr. James A. Young, which showed the funds to be in a flourishing condition. After paying stipend, sexton's salary, etc., there is a balance on hand of \$129, and \$90 not yet paid on the year's subscription which will be paid shortly. This result is due in a great measure to the untiring efforts of the pastor in establishing and sustaining an evening service that has proved to be a great success. The pastor has preached during the year two series of sermons, first on "The Prodigal Son," and next on "The Life of Joseph," that awakened a wide and deep interest among all classes, especially the young, for whom they were specially intended. A large number of young people have been gathered to the congregation. The Sabbath School, under the management of Mr. John Naismith, reported progress in numbers, interest and finances. The Building Committee was abolished, and the work was given over to the Board of Management. The outlook for Presbyterianism in Weston is cheering. This church has a faithful, energetic and useful pastor, a united session, a good board of management, and well-offered Sabbath School, and with these it must advance.

The annual congregational meeting, Weston, was followed by the annual soiree, on Tuesday evening, 12th. The evening was fine though cold, but the condition of the roads militated against the financial success of the meeting. The gross result was about \$60. The large and beautiful church edifice, however, was well filled by an intelligent and highly appreciative audience. The social part of the meeting was a grand success, and is considered to be the best of the kind ever given there. The pastor, Rev. W. Reid, occupied the chair, and opened the meeting with a short address, in which he referred to the progress that had been made by the congregation during the year, and the prosperous condition of the funds. Addresses were delivered by Rev. P. Nichol on "Fences," Rev. P. McF. McLeod on "Elements of Church Prosperity," Rev. P. Campbell (Methodist) and R. E. Green; (Episcopalian) delighted the congregation with their kind and fraternal words. The musical part of the programme was sustained by the choir of the Central Presbyterian church, Toronto. The selections were most appropriate, and the manner in which they were rendered elicited rounds of applause.

The annual meeting of St. Andrew's church, Toronto, was held on Wednesday evening, 20th inst., the pastor, Rev. D. J. Macdonnell, B.D., in the chair. From the managers' report, submitted by Mr. W. Mitchell, we learn that the sums received from the two chief sources of revenue are respectively, Sunday collections, \$5,192.11; pew rents, \$4,812.88, making altogether, \$10,004.94. The Sunday collections averaged \$99.45 for each Sunday in the year, being less by \$8.78 per Sunday than the average for the year previous, while the revenue from the pew rents shows a small increase. The managers are of opinion that the time has arrived when an annual gradual reduction of the debt should be resumed. There are three Sabbath Schools in connection with the church, St. Andrew's, St. Mark's and Dorset, all in a very flourishing condition. Messrs. Inglis, Cosby and R. W. Sutherland were elected managers. A hearty vote of thanks was passed to Mr. Isaac C. Gilmour, one of the retiring managers. Reports were read of mission work in St. Mark's, Dorset Sunday School and Night School, Dorset Sewing Class, the Women's Association, Men's Association, Penny Savings Bank, Willing Helpers, all of a most gratifying character. The chairman referred to the recommendation of the managers as to the reduction of the church debt, and urged the congregation to make a strong effort in this direction. He stated that the following amounts had been received up to the present time for the objects named:—Missions, \$2,513; augmentation, \$1,434; Sunday Schools, \$190; and on three communion seasons, \$190. He then expressed his thankfulness at the large amount of work accomplished by the various church associations.

SAVING FAITH (Ninth Edition) CANADIAN. JUST PUBLISHED.

By REV. JAMES MORRISON, D.D. Cloth, 150 pp., 40c. "SAVING FAITH," by Dr. Morrison, is a little work of very great value. Its analysis of faith as to its nature and object and discussion of the leading texts in which the word is used—are so clear, brief, and comprehensive as to make it a delightful and helpful reading.—Rev. A. P. Macfar. "It is a small volume, but a great work. It contains a plain yet varied and powerful presentation of two great themes. (1) The world-wide universality of Christ's atonement, and that it is possible for every man to be saved. (2) The scriptural meaning of believing in or on Christ, so that no one can fail to understand that faith leads to, and centres in Him, as a person, and manifests itself to the believer's faithfulness to His commands and example. Widely read and largely blessed in former years, its very history is a reason for commending it to all who are interested in the great salvation."—Chancellor Boyd. S. R. BRIGGS, Toronto Willard Tract Depository.
