PARLOUR ALBUM

IN FIVE QUARTO VOLUMES.

Price, \$9.00 per volume, or \$40.00 PER SET COMPLETE.

Description of the Work.

"THE PARLOUR ALBUM is doubtless the most extensive ART GALLERY ever published and, by those who have examined the several portions of the work, it has been pronounced the "CLIMAX OF BEAUTY." Each volume contains 20 full page Chromo Lithographs in Oil Colors, 40 full page Steel Engravings, 40 full page engravings on wood and 200 pages of reading matter, descriptive of the illustrations, the whole making each volume about one-half as thick, and same sized pages, of Webster's largest Dictionary. Each volume is complete in itself and will be sold separately, if desired. Sold by Subscription Only.

- Vol. I. Devoted to Wild American Birds. Vol. II. Contains Wild American Animals. Vol. III. American Domesticated Birds and Animals. Vol. IV. Foreign Birds and Animals. Vol. V. Fishes, Reptiles, and Insects.

This work will at once commend itself to the cultivated American people, and no library will hereafter, be complete without this addition to its treasures; while as a parlor amusement it is unequalled by American publications.
