

Abbey's **EFFERVESCENT** SALT

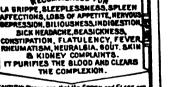

A pleasant effervescing aperient, taking the place of nauseating mineral waters.

Recognized and prescribed by eminent members of the profession in Great Britain,

THIS SALINE BY THE ADD ITION OF WATER FORMS AN INVIGORATING AND REFRESHING BEVERAGE PARTICU-LARLY RECOMMENDED TO TRAVELLERS IN HOT CLIMATES. O ONE WHO SUFFERS WITH A SLUGGISH LIVER SHOULD EVER BE WITHOUT IT.
