FARMER BROS.

8 King Street West, Hamilton,

is undoubtedly the most popular place for beautifully finished Photographs. The life-size Portraits executed by the Messrs. Farmer, in Oil, Pastel, Water Colors, India Ink and Crayon, are really very fine indeed, while their Cabinet and *Carte de Visite* Photos (pearl tint, ivory and marble finish) are perfectly lovely. In future a reduction of ten per cent. will be made to students.

ESTABLISHED 1861.
