Gilray has been called by the congregation of *College Street, Toronto*; Rev. T. Thompson has received and accepted a call from the congregation of *Duff's Church, McKillop*; Rev. J. R. S. ### INDUCTIONS, &c.

Rev. J. McAlpine has been inducted pastor of the congregation of *St. Mary's*; Rev. H. McKellar has been ordained for the missionary work at Prince Albert mission, rendered vacant by the death of Rev. J. Nisbet, and the resignation of Rev. E. Vincent. Rev. J. Anderson has been inducted as pastor of the congregation of *River Street, Paris*.

KNOX COLLEGE BUILDING.—We have to request local Committees to collect and remit without delay the amounts subscribed for new College Building. The second instalment should be paid by the new year. Ministers will kindly look after this matter.

Rev. R. H. Warden, who has been released from the pastoral charge of the congregation of *Bothwell*, will enter immediately on the work of canvassing congregations not yet visited. Mr. Warden's Post Office address will be Toronto.

The Editor has to apologize for the omission of some articles which should have appeared in this number, and for delay in the transaction of some matters of business. Unexpected absence from home and family bereavement will, it is hoped, be accepted as sufficient to account for the delay.

KNOX COLLEGE TORONTO.—The time has come when the congregations of the Church should be making arrangements for taking up the subscriptions for the ordinary College Fund. A special appeal will shortly be issued. In the meantime congregations are thus reminded of this object, and of the necessity for making a special effort on behalf of the College.

### THE HOME AND FOREIGN RECORD.

The next number begins a new year of the *Record*. The reduction in price made at the beginning of 1874 led to a large increase in the circulation; and it is hoped that a still larger increase will be made at the beginning of 1875. The terms will be the following: SINGLE NUMBERS IN WRAPPER, PER ANNUM, 50 CENTS, including postage, and when sent in parcels the price will be at the rate of 25 cents per annum each. It is hoped that arrangements will be made for supplying every congregation at this low rate.

It will be understood that the terms are pre-payment, or at any rate within three months.

All who have not remitted for 1874 are requested to do so at once.
