This Company Insures nothing more hazardous than Farm Property and Private Residences.

INSURES AGAINST LOSS OR DAMAGE BY FIRE & LIGHTNING,
Farm Property, Private Residences, Churches, Convents, and Risks of a similar Class.

Also Contents of such Risks.

No Insurance effected on Manufacturing or Commercial Risks, thus avoiding losses from sweeping fires, to which many Companies are liable.

Farmers and others owning Private Dwelling Houses will find it very much to their advantage to Insure with this Company,

As its Rates and the provisions of its policies are much more liberal than those of Companies doing a general business.

The Insuring Public will notice that our DEPOSIT is in CASH, and not Debentures or Stock, which may be of doubtful value.

Rates and all information required given on application to
