

IMPORTANT TO TEACHERS!

There are to-day a number of gentlemen who formerly held important positions as educationists, employed by the leading Life Insurance Companies, and room still remains for teachers to obtain important positions in the field work.

Those contemplating taking up insurance work, would do well to examine the respective merits of the different companies so as to be certain that they are recommending the most desirable institution to their friends. Certain important elements should be kept in view, viz.:

- Has the Company been successful?
- Has it a net surplus over all liabilities?
- Has it paid satisfactory profit results on its Investment Policies?
- Has it paid its death claims promptly?
- Is such Company under competent management?

Any intelligent man can satisfy himself on these important points by reference to the official Government Insurance Reports. Tested by these essentials the

WILL BE FOUND TO EXCEL.

Write for pamphlets explanatory of the Company's excellent Investment plans and remuneration to agents.
