

# David C. Cook's Sunday-School Requisites for 1882.

## Enormous Saving to Schools!

There is usually quite as much money in selling 100,000 copies of a publication at 5c. as 5,000 at 25c., or 500 at \$1, and we are quite contented to make prices on this basis. We are not the least afraid of the cry of "cheap, cheap." There hasn't been half enough said in that direction, for we not only sell cheap, but even stand ready to GIVE AWAY OUR GOODS where a trial does not demonstrate to the buyer that they are BETTER than others, no matter how dear. We employ the ablest writers, and pay for all MSS., using more original matter than any two other publishers in this line, having employed and paid nearly two hundred writers during the past year, besides seven editors. Nothing partisan or sectarian admitted. Sales last year aggregated twenty-six million copies; this year, thirty-six millions. We are now by one-third the largest mailers in the Northwest.

## TRIAL OFFER.

The whole matter left in the hands of the school.

If our publications are not better than others as well as cheaper, we ask nothing for them. READ THESE OFFERS TO YOUR SCHOOL.—We do not see how any one can refuse to give us just one trial.

### TRIAL OFFER ON OUR GRADED HELPS.

We claim our graded helps are every way superior to the ordinary non-graded ones, and we are willing to back up this statement by an offer which gives every school the helps FREE or COST if the trial proves a failure. If ours don't suit, you will then have three months' helps free; and if they do suit, you get one quarter at half prices, and on the balance of year you save considerable, as the prices of our publications are much less than others.

#### FORM OF TRIAL ORDER.

To DAVID C. COOK, Chicago, Illinois: DEAR SIR,—We have never used any of your Lesson Helps in our school. We wish to try them with a view to taking them regularly if they really prove better for our use than those we have been using. If you will send, as per order below, we will try them carefully, always using the lesson helps with the lessons on which they are written, using responsive readings, opening and closing hymns at least occasionally. Endeavouring also to induce home study in the various classes, as suggested in the helps; in fact, to use every means in our power to make the helps most useful in securing thorough study and in impressing the lesson. Then, if at the end of three months, I can conscientiously write you that we have tried the helps faithfully, but that they have not proved really better helps, securing more home study, more interest in the lessons, pleased the school better than those we have been using, you are to return me the half price paid for them. But if not we will continue using them.

### TRIAL OFFER ON OUR GRADED PAPERS.

If your school has never used any of our papers, you may order of us full supply for school on trial, with the express understanding that if they do not prove better than those you have been using you are not to pay us one cent—you to have three months' trial and not to pay us anything till the end of that time. As a trial costs nothing at the start, and nothing at all if it don't prove a success, will it not be worth your while, when, if it succeeds, you save 20 to 40 per cent. a year in your expenses?

#### FORM OF TRIAL ORDER.

To DAVID C. COOK, Chicago, Illinois: DEAR SIR,—We have never used any of your Sunday-school papers in our school. We would like to try them with the view of getting them regularly if they prove really better. If you will send me, as per order below, we will try them and state to the school when the first numbers are given out, that they have been ordered on trial. That we want them read carefully, and that if we like them better than those we have had we can have them regularly. At the close of three months, we will ask the opinion of the school, and if I can then conscientiously write you that THE SCHOOL DOES NOT LIKE THEM BETTER than any other Sunday-school papers we have been using, it is especially agreed that you are to send me no return mail for them. If I do not write you as above at the close of the three months, than I will pay you as per price below. On these conditions, please send me for the first quarter of 1882, January, February and March.

## OUR GRADED SUNDAY SCHOOL HELPS.

- They suit the age of each.
- They furnish a companion teachers' help in each grade.
- They save expense of song books, giving thirty-eight pieces in each number—one hundred and fifty-two in a year.
- They give you lesson songs worked right out of the lessons.
- They are arranged to sing at sight by means of old and new tune combination.
- They introduce a system of home study and lesson marking, which always improves the lesson standard.
- They are vastly superior every way, and yet they cost far less than others.

**Hymns Opposite the Lesson.**—No turning over papers to find the hymns you want, for opposite each lesson is placed its hymn. This not only saves time, but serves to connect the lesson with the hymns in the minds of the scholars and teachers, besides enabling the superintendent or chorister much easier and better to call attention to their connection. We arrange our opening and closing hymns and responsive readings on opposite pages in the front of the books, where they can be instantly found.

**Binding the Quarterlies.** We publish the only quarterlies that are sent out perforated at the back, so as to be easily fastened together, and thus preserved from quarter to quarter, by using a bit of string, ribbon or common paper fasteners. Coming ready punched in this way, it is little trouble for the school to attach a second quarter to the first of each scholar's text, and to induce each to do their own attaching. Thus the books for the whole year are preserved, forming a whole song book of 152 pieces, and a commentary on the whole year's lessons.

**SCHOLARS' LESSON HELPS**  
For the Main School.

- The Juvenile Scholar, 8 cents a year.

- The Bible Class Teacher, 30 " "

Besides this, we publish abridged editions of the Juvenile Scholar and Intermediate Scholar, at 4½ cents a year.

For Teachers, 50 to 55 cents.  
For Scholars, 12 to 15 " "

## GRADED SUNDAY SCHOOL PAPERS.

### Advantages of Graded Papers.

Instead of the old plan of furnishing all of the main school with the same paper, four kinds of papers are taken for each week, besides the paper for the infant class, as follows: The Weekly Church and Home, for adults; The Weekly Magnet, or our 1c. monthlies for older scholars; our four 8c. monthlies for the intermediate scholars; our four 5c. monthlies, or the 10c. Weekly, for the juvenile scholars; our Dew Drops, or the 2c. Weekly, for the infant class.

By this plan all families having members of the school in all grades get the reading of FIVE PAPERS A WEEK in place of one or two, and yet it costs the school no more; besides this, each one gets a paper suited to his age.

Below is the actual number of words you get per week, using our graded papers:

Home,	25,000 words
Weekly Magnet,	10,000 do.
8c. series,	8,000 do.
5c. do.	5,500 do.
2c. do.	920 do.

Using all five gives each family a grand total of 56,420 do.  
Prices asked for papers are much lower than others.

**22c. Weekly Primary Paper**—THE DEW DROPS—A grand thing. No infant class paper published near the size or quality. Contains from six to ten pictures in a number. Printed in large type, on fine writing surfaced paper. Illustrated lessons for little ones, illustrated stories, little one's knowledge box, advice to little folks, mother's column, etc., etc. Cost in clubs, 22c. per year; 6c. per quarter.

**5c. Monthlies.**—Our Sabbath Home; The Coral, or God in nature; Truth Seekers; The Giant Killer. Four monthlies in clubs at 5c. a year, or 1½c. per quarter, when bought in lots of five or more. Each paper contains as much matter as the average Sunday-school paper, and more than many.

**10c. Weekly.**—THE SABBATH SCHOOL WEEKLY, for the main school. In clubs at 10c. a year, or 3c. per quarter. Contains as much matter as some papers costing 6c. a year weekly published. Five times cheaper than any other main school weekly published.

**8 1-2c. Monthlies.**—The S. S. Gem, Careful Builders, His Jewels, The Young Folk's Friend. Four monthlies in clubs each at 8½c. per year, or 2½c. per quarter. These are larger size than the average church Sunday-school paper, are printed on the finest quality of material, illustrated in finest style of art, and filled with choice reading, containing nearly double the matter of many S. S. papers, yet costing less than any published by others.

also a choice serial running through the quarter. Nothing like it to keep up the attendance; invaluable as a means of doing good in the home, besides, in many cases, preventing the reading of ban books and papers. Other papers, with less than one-fifth the matter, cost 50c. to 60c. a year.

**11c. Monthlies.**—The Royal Road, The Comforter, Our Own S. S. Paper. Four monthlies. Over 16,000 words in a number, or twice to three times the matter of most S. S. papers (more than any other); printed on finest paper, illustrated with finest engravings, and contains matter from the ablest pens, and yet are sold at lower rates than the papers of other publishers.

**A Bible-Class Paper.**—A Weekly for the Bible-class and for teachers and officers. THE CHURCH AND HOME, illustrated, the only paper of the kind extant. Contains nearly 26,000 words in a number. Nothing like it to no d adults and older scholars in attendance. Is gotten up on the plan of a 2c. religious weekly. Price, weekly—in lots of five or more, each, 50c. per year, 12c. per quarter.

**6c. Weekly.**—THE LITTLE LEARNER'S PAPER, a weekly paper for the infant class; costs in clubs but 6c. each year, or 2c. a quarter. Other infant class papers cost from 18c. to 40c. a year. Contains the lesson, with little lesson pictures, and one illustrated story in each number.
