

On the 10th, St. James' Sunday School, Toronto, held their outing at Lorne Park. Nearly one thousand children, with their parents, were in attendance, and three steamers were chartered for the occasion. They had a pleasant trip and a happy day. Only one accident to a little girl, who broke her arm, having fallen down an embankment, marring its pleasure.

On the 15th, Holy Trinity Sunday School, Toronto, also held their picnic at Lorne Park. The scholars marched from the school in procession to Yonge street wharf, where two steamers waited to carry them to the park. The day was enlivened with the usual games and sports, and was most enjoyable throughout.

**PRESENTATION.**—The Rev. Dyson Hague, of St. James' Church, Toronto, has left to take charge of a new parish in Brockville. The following address, together with a sum of money, was presented to him by the Churchwardens previous to his departure:—

“Reverend and Dear Sir,—It is with sincere regret that the congregation of St. James' Cathedral learn of your intended removal from Toronto, to labor in another portion of the Master's vineyard. In the three short years spent amongst us, you have gained the affectionate esteem of all who have been privileged to know you. Of your work in the Sunday School, in the Temperance Society, in the home, in the pulpit, and as a citizen, we cannot here speak particularly; but at all times your ready sympathy and kindly interest in temporal matters, your earnest zeal for the spiritual welfare of your fellows, and your manly, yet loving, witness for Christ, have been appreciated by men, as they have doubtless been acknowledged and rewarded by God. While, therefore, we feel our loss to be no slight one, we are glad to know that you only give up your work here to engage in a greater and more responsible work elsewhere. In parting, we extend to yourself and Mrs. Hague our earnest wishes for welfare and success, and doubt not that many prayers for our Father's blessing on your future labors will follow you. Kindly accept the accompanying token of affection and esteem.”

**TRINITY COLLEGE.**—The corporation met recently to consider the question of continuing the canvass for the Supplemental Endowment Fund. There was a large attendance. Rev. R. H. Starr reported progress. The total amount subscribed in Canada and England to date amounted to \$108,538, a large portion of which has been paid. The canvass is to be continued.

The Sunday School has also been well attended, and the number of scholars is steadily increasing. Many useful and necessary articles of furniture have been

donated. The congregation are now greatly in need of a baptismal font. Donations of hymn-books, prayer-books, &c., will be thankfully received and acknowledged.

A memorial window is soon to be placed in Christ Church Cathedral in memory of the late Bisher Fuller; the donors being the members of the family. The work has been entrusted to Messrs. Elliott & Son, of Toronto, and is one of the most important commissions yet given to a Canadian firm in this line.

**St. Thomas' Church.**—The Rev. Canon Curran will shortly leave on a three weeks' vacation, which he is greatly in need of, during which time services at this Church will be conducted by the Rev. George A. Harvey, of Christ Church Cathedral.

**DIOCESE OF HURON.**

The annual Sunday School picnic in connection with St. James' Church, London South, was held at Port Stanley, July 21st. About 300, including friends of the school, enjoyed the day, which, although warm, the refreshing breeze from the lake made pleasant.

Rev. Mr. Bearfoot, of Point Edward, has been appointed by the Bishop of Huron to succeed the late Dean Jamieson at Walpole Island. For the present, Mr. Bearfoot will reside in Sarnia. Rev. W. Hinde, of Petrolia, has been appointed to the pastorate of Point Edward.

In the action brought by Rev. E. R. Stimson against the Synod of the Diocese of Huron for arrears of his allowance from the Commutation Fund of the Diocese, judgment has been given by Mr. Justice Ferguson in favor of the defendants.

**DEATH OF MRS. BALLARD.**—The *St. Thomas Journal* gives the following account of the death of Mrs. Ballard, the wife of the Rector of Trinity Church:—It will be remembered that on Wednesday evening, July 6th, when leaving the residence of Mr. W. B. Doherty, Metcalfe street, where she had been visiting, Mrs. Ballard stubbed her foot against the water-pipe just outside the sidewalk, and falling, fractured her left leg. The condition in which the unfortunate lady was in at the time of this occurrence led her physicians and friends to entertain grave fears as to the result of the accident. These fears proved but too well founded, and the patient gradually grew worse, suffering great pain, which she bore with much fortitude, until death came to her relief. The deceased, who was a daughter of the late Mr. George Boomer, of Toronto, at one time police magistrate of that city, and a niece of the Very Rev. Dean Boomer, of London, was thirty-five years of age, and had been married six years. She leaves, besides her grief-stricken husband, one boy, two years old, to mourn her loss. The five children of Mr. Ballard by a former marriage had grown to love her as if she were their own mother, and grieve for her as such.

The funeral took place from Trinity Church, St. Thomas, a large number being present to testify to respect for the dead and sympathy for those bereaved. The impressive burial service of the Church of England was conducted by the Rev. Canon Davis, rector of St. James' Church, London South, Rev. Mr. Hicks, curate of St. Paul's, London, and Rev. Dr. Schulte. The choir sang several funeral hymns, without organ accompaniment. The church was heavily draped, and the floral offerings were numerous and handsome, amongst them being three large crosses, pillows, arches, wreaths, etc. A large pillow from the congregation of the Chapter House, London, was surmounted by a heart, and bore the word on the pillow, in purple flowers, "Rest," and one from the ladies of Trinity Church bore the words, "Dear Sister."
